

HIT THE BUSH, FIVE-STAR STYLE

If you've never had the time nor courage to take your four-wheel-drive off the bitumen and into the bush, then the 2010 Variety 4WD Charity Challenge might be your calling.

Organised by Variety, the children's charity, the 4WD luxury holiday from November 8-13 is geared towards the off-road novice

while raising funds for medical equipment, wheelchairs, speech devices, prosthetic limbs and playground equipment, to name a few.

Travelling from the Hunter River, Newcastle, to Lennox Head, participants will traverse more than 1500 kilometres through NSW including beach runs, bush trails and creek

crossings. Resort-style accommodation and fine dining are part of the all-inclusive package, which costs \$6300 for two, including a \$3000 tax-deductible donation to Variety. Participants are encouraged to raise the full amount in advance.
