

With help from our dedicated fundraisers, generous individuals and corporate supporters, Variety Queensland has funded a much needed playground for the special needs students at **Trinity Beach State School's Special Education Unit to the total value of \$71,500**

You have been invited to attend a very special grand opening of this amazing playground on **Friday 29th April 2011 at 11:00am**. Please RSVP by Wednesday 27th April so we are able to inform the school as to how many guests will be attending. Please do not hesitate to contact me if you have any queries.
