About Variety - the Children's Charity

At Variety – the Children's Charity we're passionate about giving kids who are sick, disadvantaged or have special needs a fair go. We don't think any child should fall through the gaps. Not the three kids in every classroom who are living in poverty. And not the 10,000 kids with a disability who are missing out on NDIS support. We provide practical support when they need it most, and a helping hand to reach their full potential.

In the last financial year we granted \$4M to help kids in need, impacting the lives of 39,500 kids in NSW and ACT with over 200 different conditions supported.

Grants

Variety grants provide practical and essential help to kids and organisations in need, helping kids to communicate, increase self-esteem and enjoy the freedom of being a kid.

Programs

Variety programs educate and empower kids in need, helping them to enjoy new experiences and to be included.

Scholarships

Variety Heart Scholarships empower the leaders, sports stars and artists of tomorrow, providing support to kids with a demonstrated talent to pursue their dreams and realise their potential.

Experiences

Variety experiences bring joy and inclusion to kids and their families. We also help create Variety Livvi's Place inclusive playspaces, so all kids can enjoy playing side by side.

How we have helped

Harper is 18 months old and was born with Cerebral Palsy. Unable to stand by herself her family turned to Variety to grant Harper a stander. The stander helps her to gain more strength in her legs and core, and also means she can stand up to play with her older sister rather than having to lay on the floor.

"Only having one parent working meant we couldn't provide the equipment for her, it's amazing that Variety could grant this to us. I don't know the words to explain what this means to us... just amazing. With this equipment Harper can stand and play with her sister now which is fantastic." Harper's mum said.
