OUR YEAR

## About us

Variety – the Children's Charity is a national not-for-profit organisation committed to empowering Australian children who are sick, disadvantaged or who have special needs to live, laugh and learn.

By giving practical equipment, programs and experiences, Variety helps children overcome the obstacles they face and allows them to live life to the fullest.

Variety's work allows children to gain mobility and freedom, to get out and about in the community, be able to communicate, achieve independence and increase self-esteem, and where possible the assistance to help them be integrated into mainstream schools and activities.

# 40 years

2015 marks a great milestone for Variety in Australia - 40 years of helping Aussie kids in need!

From its beginnings in 1975, Variety – the Children's Charity has established itself as an iconic Australian institution, making a real difference to the lives of thousands of Aussie kids who are sick, disadvantaged or have special needs.

We're proud to say that in the last financial year, Variety - the Children's Charity of Queensland granted equipment and services to the value of \$1.8 million, which directly impacted the lives of 16,263 Queensland kids in need, helping them to overcome whatever obstacles they faced, enabling them to live life to the fullest.

# Our aspirations

We aim to be the go-to organisation for children who are sick, disadvantaged or have special needs in Australia, for fun loving donors and supporters who wish to help these kids.

# Message from the Chief Barker

The word 'Variety' is much more than a name - it is a word which sums up the ethos of our organisation. It recognises that every child, regardless of their background or ability, should have the same choices, opportunities and experiences as other children.

We have been transforming the lives of Queensland children since 1986, and while Variety has grown and changed in that time, we remain known for empowering children by providing equipment, programs and services appropriate to their needs.

Each month Variety Queensland receives requests for over \$150,000 worth of equipment to help children who are sick, disadvantaged or who have special needs; equipment which is often beyond the financial ability of thousands of families. Every Variety gift is an investment in a child's future, and this year our grants totalled more than \$1.8 million.

To every fundraiser, donor, company, volunteer and service provider who has in some way assisted us on the Variety journey this year - your support is humbling and it allows us to continue improving the quality of life of Queensland's children in need.

2015 has been a challenging year. Returns from our various events have been below our forecast, and many of our supporters found fundraising more difficult due to economic conditions and the increasing choice donors have for very worthy causes. While expenditure was curtailed in some areas, we continued to invest in our capability, particularly our fundraising systems, and the benefits of this will be realised in future years.

The team have exciting plans for the year ahead, with some outstanding events planned, both old and new, and we are optimistic about what's ahead in 2016.

Our six strategic pillars remain as relevant today as they were when directors and staff developed them almost three years ago.

.............

- 1. Increase the awareness and understanding of the Variety brand
- 2. Run fantastic 'must do' events
- 3. Support our fundraisers and develop other fundraising partnerships
- 4. So we can fulfil appeals to those who most need our help
- 5. Provide a rewarding and fun place to work
- 6. Ensure a financial sustainable position

I'd like to thank my fellow board members for their contributions throughout the year in so many different ways. This year we welcomed four new members to the board; Tamara Cross, James Stewart, John Colvin and Steve Whittam - thanks for sharing our commitment to Variety.

I would also like to acknowledge the efforts of our CEO David McDonald and his team of capable and passionate staff, who have once again helped change the lives of so many children in need.

Finally, to all our members, event participants, sponsors, volunteers and donors - the results outlined in this annual review are only possible because of you. Thank you.

# Message from the CEO

This year marks the fortieth year of Variety in Australia. We celebrated by looking back at the stories of children and families whose lives were changed, by the support we were only able to provide because of your support.

I had the privilege of visiting many children and families throughout the year in Queensland — from granting equipment to providing life-saving medical devices and accessible community playgrounds. I have seen how our values echo through everything we do, amid the compassion shared with the children and their families by our staff and volunteers.

Throughout 2014/2015 with the assistance of our many committed supporters we were able to deliver in excess of \$1.8 million in equipment, programs and services for children who were either sick, disadvantaged or with special needs. We have been fortunate enough to have impacted the lives of 16,263 Queensland children.

There is no bigger responsibility that we share as a community to ensure that all children have an equal and fair opportunity to live life to its fullest. As a dedicated children's charity that does not receive any government funding, this can only be achieved through you, our loyal supporters who help us pave the way and continue our vital work to meet the many unmet needs here in Queensland.

While we work to further diversify our revenue streams, fundraising events remain the heart and soul of Variety. Our team takes pride in Variety's hard-earned reputation for hosting well-organised events that not only provide fun and entertainment for participants but generate much-needed funds for our programs.

This year we celebrated 26 years of the iconic XXXX Gold Variety Bash, a 10-day journey from Cairns to Fraser Island. This event continues to be our biggest fundraising event.

6

Other notable fundraising highlights include our signature corporate event, Variety of Chefs Ball and our popular Variety Old Bags Lunches continues to grow across regional Queensland.

This year saw some new and exciting events being added to the Brisbane social calendar. Our inaugural Variety Red Carpet and Variety Brewski and the Beast emerged attracting new audiences to Variety.

Our impact continues to increase as we grow to meet the pressing needs of children right across Queensland. While the work we do may look similar, every family's story is unique to their child, but the gratitude they express is similar: it is heartfelt and enduring.

Some of the most touching moments comprise of emails, handwritten letters, drawings, photos, phone calls, comments on social media and visits to the office about the difference we have been able to make, which continues to encourage and inspire us to be able to assist even more children each year.

Together, our Variety community helps to change the lives of many children and families. We are forever grateful for the ongoing support from our Board of Management, the staff that work tirelessly to achieve Variety goals and objectives, our very generous sponsors, and last but not least our volunteers. Your support enables Variety to help children in need overcome whatever obstacles they face and live life to the fullest.

OUR IMPACT

# William Halstead

Equipment granted: Wheelchair lift

"Prior to the wheelchair lift being installed in the family vehicle, we would often minimise travelling with William to reduce the lifting that was required to get him in and out of the vehicle. Thanks to Variety, the transportation of William is now effortless, there is no need to alter plans because of William's disabilities. William's brothers can also operate the lift and load William into the vehicle which is another great benefit of the lift"

Graham, William's dad

# How we help

Variety's mission is to empower Australian children who are sick, disadvantaged or have special needs, to live, laugh and learn. By providing practical equipment, programs and experiences, Variety helps children to overcome the obstacles they face through three core programs:

It's through these programs that Variety can deliver a unique range of goods and services to assist with the specific needs of individual children, across a diverse spectrum of physical, emotional and financial conditions.

Funds to fulfil equipment and services within these three programs are sourced primarily from the popular events Variety hosts and the big-hearted people who participate. Creating an event to remember, drawing on event expertise and the goodwill of suppliers and sponsors, allows for participants or guests' fundraising or donated dollars to go where it is needed most.

With an expert, independent Grants Committee, Variety focuses on 'filling the gaps' and providing much-needed assistance to individual families as well as schools, hospitals and other children's organisations that often have nowhere else to turn.

# Life-changing equipment for Rockhampton students

Variety has made a positive contribution to the lives of Rockhampton students, granting over \$44,000 in life-changing equipment to Rockhampton Special School and Rockhampton North Special School, enabling students who are unable to communicate verbally, to express their opinions, thoughts and needs in other effective ways.

Equipment granted: Tobii Eye Gaze Interaction Device, Vestibular Swing System, various assistive communication technology equipment

"Being able to communicate is a human right and our children are no different — they need to be able to communicate to express their opinion, make choices and be active members of the community. The effect is far reaching — when you have a child who can finally communicate, stress is relieved as parents can finally understand what their child wants and needs, the child relaxes and in turn the family unit is strengthened."

Laurelle Allen, Principal of Rockhampton North Special School

# 8,884 Queensland children

impacted through the Variety Caring for Kids Program in 2014/2015

Riley Sheehan

Riley is a 17-year-old boy who suffers from Duchenne Muscular Dystrophy (DMD), a muscle-weakening condition. Riley uses a powered wheelchair to get around in the world, and needs assistance with his daily care. Variety provided a cough machine, to assist Riley with clearing his chest so he can get back to enjoying life.

### Equipment granted: NLPPY Cough Assistor

"To the volunteers and fundraisers, we hope that you are feeling the love and appreciation that we feel for you all. To know that you have given up your time to help a little family like ours makes us feel like we're not going through this alone. You may be known as volunteers and fundraisers of Variety, but to us you are welcome members of Team Riley."

kathryn Sheehan, Riley's mum

### **OUR PROGRAMS**

# Assistance Dog Program

Variety aims to enhance the lives of children by providing specially-trained dogs to help children gain independence and confidence, as well as emotional and physical support.

Variety Assistance Dogs, under the Variety Freedom Program, are trained to assist special needs children to lead an independent and integrated life.

Assistance Dogs are trained to support an individual child's particular needs, whether that be turning lights on and off, opening and closing doors, picking up or retrieving items, and to indicate when their child needs assistance.

It takes six to 18 months to train a reliable and sociable assistance dog and costs anywhere between \$15,000 and \$30,000 to train an assistance dog with specialised skills.

# Ruby & Ollie's All Abilities Childcare

This childcare centre is a brand new concept, designed to help children with special needs and their families.

In 2015, proceeds raised during the 'Live Appeal' component of the Variety of Chefs Ball were directed towards Ruby & Ollie's All Abilities Childcare.

Ruby & Ollie's All Abilities Childcare brings a first of its kind model where long day care, early intervention and support to young children with special needs is offered not only to the child but to the child's family and parents.

Variety through its loyal supporters and generosity of guests on the night of the 2015 Variety of Chefs Ball, raised an incredible \$89,000 to fund essential equipment for the childcare centre

# Goanna Park Adventure Camp

Goanna Park Adventure Camp helps challenge teenagers living with physical or intellectual disability to increase their independence and self-confidence.

Every year in July, 42 children from around Australia come together for the experience of a lifetime at the Goanna Park Adventure Camp, organised by Variety Northern Territory.

Four teenagers from across Queensland attended the camp. Goanna Park Adventure Camp is a great way for children to make new friends,

gain independence and develop self-esteem in a safe and caring environment.

Children are encouraged to participate in activities that they may not have had the opportunity to experience before. These range from abseiling, flying fox, swimming, horse riding and many other fun activities.

### **OUR PROGRAMS**

A night dedicated to the carers, whether they are the parents or guardians, of the sick, disadvantaged and special needs children whom Variety strive to assist each year.

Carers and families of children with a disability often feel socially isolated and overwhelmed with the complex and difficult circumstances associated with supporting a child with special needs.

The ongoing commitment of our carers was recognised at the 2015 Caring for Carers Dinner hosted by Hilton Brisbane, who continue to support Variety.

The dinner offers carers the opportunity to take a break from their caring role, whilst also allowing them time to gain and share information, develop friendships and support networks.

# Special Children's Christmas Party

The halls of The Brisbane Convention Centre were decked with boughs of holly and transformed into a festive wonderland.

3,000 children from all over South East Queensland, from as far north as Bundaberg, west to Roma and south to Tweed Heads came together for the 2014 Variety Special Children's Christmas Party.

The event offers a welcome respite for families, giving them the opportunity to get into the festive spirit. Kids are treated to face painting, a specially designed wheelchair accessible swing, a petting zoo, and gifts from Santa Claus.

The Special Children's Christmas Party was made possible through the generosity of sponsors and volunteers who rallied together to help set up displays, assist with catering and hand out toys.

# Sunshine Coaches

Variety brings thousands of children with special needs into the sunshine each year through its Sunshine Coach program.

Sunshine Coaches provide mobility to children who are otherwise unable to experience the joys of excursions and other external learning experiences through specialist transportation that offers increased mobility and freedom.

Special schools and various organisations have been the recipients of a fleet of over 1,236 coaches nationally, transporting children to their daily activities, enabling them to have special learning experiences.

In 2014/15, Variety contributed towards the cost of Sunshine Coaches for Numinbah Valley Education Centre and Musgrave Hill Early Childhood Developmental Unit.
