

Variety - the Children's Charity of Queensland

Guidelines – Individual Grants

Thank you for your interest in applying for a grant from Variety – the Children's Charity of Queensland.

Eligibility:

- Applications may be made on behalf of a child who is sick, disadvantaged or has special needs.
- Applications will only be considered for children aged up to 17 years (applications must be received and finalised before the child's eighteenth birthday).
- Applications may be made on behalf of children who reside in QLD.
- Variety Queensland does not give cash donations; funding supports the purchase of equipment and tangible items, and Variety Queensland pays the supplier of the equipment directly.
- Variety Queensland will not approve applications where alternative funding sources are available. This includes NDIS eligible items. Proof of any unsuccessful alternative funding should be included in your application.
- Variety Queensland will consider gap funding, once you have proof of successful funding.
- Funding cannot be approved retrospectively (if you have already purchased equipment).
- Applications will not be funded if the child has received funding from Variety within the past 6 months.
- The Kids Support Committee will assess each grant thoroughly. Additional information may be required, and, in this instance, Variety will contact you or your referees.
- Please make sure the following documents are submitted along with your application:
 - Financial income documentation e.g., Payslips, Centrelink income statement
 - Three quotes for each piece of equipment requested, less than 3 months old (this clause is void if the applicant is in a remote area and only one supplier is available and / or only one supplier offers the equipment requested)
 - Supporting medical documentation from two professional sources stating that the equipment is necessary (Medical Practitioner, Occupational Therapist, Social Worker, Principal or Teacher)

Assessment, Decision and Reporting:

- Submissions are assessed by the Variety Kids Support Team.
- Eligible submissions are presented to the CEO and an independent Committee including health professionals for review.
- They are then presented to the Board of Directors for final approval.
- Board meetings are held once per month.
- The deliberation process may take 12-16 weeks from the time the application is submitted. Every submitted application will receive written confirmation of the outcome of their application.
- If approved, a purchase order will be raised by Variety Queensland and sent to the supplier directly.
- Payment will never be made directly to an applicant.
- When the equipment is delivered, the ownership is transferred directly from the supplier to the applicant family, and Warranty claims must be made directly with the supplier.
- Successful applicants may not reapply to Variety for further equipment for a fixed time period. Applications on behalf of individuals must wait 6 months after a successful application.
- The Applicant cannot transfer the money Variety granted to another piece of equipment.
- If the equipment is still in working order and in good condition, and no longer necessary for the child, Variety asks the parent/carer to ask their local therapist/doctor to donate the equipment to a suitable recipient.
- Successful applicants will be asked to complete a short survey to help Variety measure their impact. This will be emailed to the applicants.
- Outside completing a survey and without obligation, Variety enjoys hearing any updates on a child's progress, well-being, and achievements once they've received their grant. If the Parent/Carer and the child feel comfortable to share any updates with Variety, please email them through to kidssupport@varietyqld.org.au
- Furthermore, if you are willing, we may invite you to join us at a Variety event to share your story.
