VARIETY – THE CHILDREN'S CHARITY

Variety is the world's greatest children's charity dedicated to helping sick, disabled and disadvantaged children and is referred to as "The Heart Of Showbusiness" because of its origins in the entertainment industry.

Tent 1 was formed in Pittsburgh Pennsylvania USA in 1927 by 11 vaudeville showmen who established a social club called Variety. They adopted a baby girl abandoned in the Sheridan Movie theatre on Christmas Eve 1928. She was named Catherine Variety Sheridan.

Her story became an inspiration to help children everywhere and since those early beginnings, Variety has become an international organisation helping special children world-wide.

Tents are now spread throughout sixteen countries and all are members of Variety International based in New York.

The Executive Board of each Tent is known as The Crew. The Crew are those who build the Tent. The chairman is known as the Chief Barker and a member is called a Barker.

Variety has a self imposed limit on administration costs, endeavouring to contain costs to single percentage figures. The Grants Committee, The Honorary Medical Panel and The Crew ensure that all funds are used effectively to provide opportunities in life for as many children as possible and particularly those who are least able to help themselves.

When a grant is approved, Variety makes payment direct to the supplier of the equipment or service and the emphasis is to support the communities in which the money was raised.

Variety at Work groups take children on outings, to the movies and concerts and provide annual Christmas Parties and an array of other fun activities.

The famous Variety Bashes and 4WD events are run in every state along with numerous other functions and events.

VARIETY V2 MOTORCYCLE RUN

The inaugural Variety V2 Motorcycle Run took place in 2008 and eleven years on the event has raised over \$1.9 million net to directly benefit South Australian children in need. Each year the entrants travel a different route.

Over the past eleven years this has included the Flinders Ranges, the Grampians and Daylesford regions, the Riverland, South West NSW, the wine regions of South Australia and Great Ocean Road

The V2 Motorcycle Run is an 'up market' event designed to attract vehicle owners who enjoy firing up their bikes and cars for a four day luxury cruise, requiring no organisation on their part. The emphasis is on interesting roads, fabulous scenery, great food and wine and of course, as with all Variety events, fun and entertainment.

COMPULSORY RULES & REGULATIONS

1. EVENT CONTROL

In the interests of safety, insurance and event management, the requests and directions of all people designated by Variety to be Officials will be observed at all times.

If, in the opinion of the V2 Chairman, an entrant's behaviour prejudices the interests of other entrants, the V2 Motorcycle Run or Variety, that entrant may be asked to withdraw from the event and will not be invited to participate in future events.

The V2 Rules are those made by the V2 Chairman or the Officials at any time and from time to time at their absolute discretion.

The rules and regulations may be altered and amended at any time as seen fit by the Officials and therefore any decision handed down will be final and no discussion entered into.

2. ENTRIES

Entries are not transferable. The person or persons who obtain the entry is the Entrant. The entry is not attached to a vehicle.

All entries accepted at the Chairman's absolute discretion.

The number of spaces available for each V2 Motorcycle Run is limited. Generally, entry in a V2 Motorcycle Run is, in the first instance, offered to entrants in the previous V2 event. Places not filled will be offered to new entrants.

Those who obtain entry to this year's V2 Motorcycle Run, at the absolute discretion of the V2 Chairman, may apply to enter next year's event.

3. ENTRY FEE

Entrants who do not forward contributions by the due date (as set out in the Entry) may automatically forfeit their position and any part of their registration fee and contributions which have already been paid to Variety.

4. ENTRANTS WITHDRAWING OR TRANSFERRING TO THE FOLLOWING YEAR:

If a team withdraws from the V2 prior to the event, any fundraising dollars raised will be credited to the bottom line of the event in the year in which it is raised and not transferred to the following year. Fundraising will not be transferred between any or all of the suite of Variety motoring events.

If the team decides to enter the following year, money raised in the previous year may be taken into account towards achievement of the minimum amount ie if a team has raised \$2,000 then the following year they would need to raise only \$2,500 to guarantee an entry. If the minimum fundraising amount has been raised (currently \$4500), the team will be offered this option in the following years event only.

To be eligible for the first, second or third highest fundraiser, only the amount raised in the current year will be considered.

5. PREREQUISITES

Entrants must be over 18 years of age.

6. V2 ROUTE

The V2 route is that set by the V2 Chairman with the approval of the road owners. If these roads are affected by adverse weather conditions the Officials will liaise with local councils, station owners/managers and any other appropriate governing bodies to determine an alternative route. Any Entrant who disregards the V2 Chairman's instructions to abort the original route will be ejected from the event.

We are the guests of property owners and local communities and care must be taken of the property and environment we are travelling through.

Please leave gates as you find them.

7. PROPERTY DAMAGE

If you cause any damage to public or private property you are required to report any such damage immediately to the V2 Chairman. Arrangements will then be made to repair or compensate the owner for damage.

Any collision with stock must be reported promptly to the V2 Chairman or an Official. The stock owner can then be notified and compensated.

TAMPERING WITH ROAD OR V2 SIGNS IS FORBIDDEN.

8. LITTER

Property owners, councils etc. are notified when we are travelling through their properties/areas and continued access to these areas is achieved through our respect of our surroundings.

LITTER IS NOT TO BE THROWN FROM ANY BIKE.

9. ROAD RULES

The V2 Motorcycle Run is neither a speed event nor a race. The V2 Motorcycle Run is not exempt from the normal road and traffic rules. In particular infringements of speed limits and blood alcohol limits can be prosecuted by the Police.

Variety SA reserves the right to conduct breath testing of drivers for blood alcohol and drug content. Anyone that refuses or fails to take a test will be immediately removed from the event. Anyone who exceeds the blood alcohol limit prescribed in the conditions of their drivers licence or test positive for illegal drugs may also be immediately removed from the event.

Entrants who, by breaking the law or behaving in a dangerous manner, bring discredit to the event and/or Variety, may be asked to withdraw and must do so immediately upon request by the V2 Chairman or his delegate and will not be invited to participate in future Variety motoring events.

10. FIREARMS

Entrants are prohibited from carrying firearms, including gas guns or any other form of projectile, on the Event

11. FIREWORKS

Fireworks are a hazard to the environment and human safety and are therefore banned from the event.

Licensed fireworks displays organised or approved by the V2 Chairman are the only exception to the above and any approval must be sourced from the V2 Chairman prior to the event.

12. FLARES

Flares are not to be carried or used by entrants.

13. INSURANCE

It is essential that third party property insurance is held by all entrants.

14. VEHICLE PREPARATION

The average distance travelled on an event is around 2,000km, predominantly on bitumen roads.

In the event of a mishap, your vehicle may be replaced during the event provided suitable arrangements are made to have your original vehicle transported home.

15. VEHICLE NUMBERS:

ALL V2 Vehicles MUST have those numbers displayed as directed from the Variety office.

16. FUNDRAISING & SPONSORSHIP

There are a few simple rules that entrants should observe when seeking fundraising or sponsorship for their entries.

The V2 Motorcycle Run is NOT a free holiday. All monies raised by you through sponsorship, functions, raffles, etc. must be given to, and officially receipted by Variety.

The cost of preparing your vehicle, running costs etc. and the provisions fee is your personal responsibility. Make your sponsors aware that their cash donations will directly assist children who are sick, disadvantaged or have special needs and emphasise that you meet the cost of preparing the vehicle and other related expenses.

Variety South Australia has a policy regarding aligning our organisation with sponsors whose business activities are inappropriate for a children's charity and not in keeping with the corporate image of Variety SA. Entrants should be aware of this policy when sourcing sponsors or holding fundraising events. Please speak to the Event Chairman or Events Manager prior to committing to a sponsor, or organising an event that may contravene this policy.

17. FUNDRAISING OPPORTUNITIES - ADELAIDE CONVENTION CENTRE THEME DINNER & WORKPLACE GIVING

In May/June each year Variety organises a themed dinner at the Adelaide Convention Centre. This is a great opportunity for entrants in our events to sell tables and place items in the silent auction with part funds raised from the tables and full funds from the auction items credited to your entry. Speak with the Events team regarding this.

Another great way to fundraise for your vehicle is with Variety's Workplace Giving Program. Everyone you sign up from your own network will have their donations attributed to your fundraising tally. For as little as \$2 per week, your friends, family and associates can make a real difference to a child in needs life in SA and also support your entry in our event. It's a win/win!

18. BANK ACCOUNTS/SPONSORSHIP MONEY

NEVER at any time must the name of Variety, Variety V2 Motorcycle Run, V2 vehicle or anything similar appear on a bank account controlled by an entrant. Entrants should not operate bank accounts for funds raised - all money raised, including sponsorship, must be forwarded directly to Variety for receipting.

19. SPONSORS'

Cheques must be made out to Variety - South Australia, noting your vehicle number on the back.

The general procedure to follow for submitting your sponsors donations is to mark your vehicle number on the back of the cheques and send them to the Variety office or alternatively sponsors may send their payments directly to the Variety office attaching the remittance advice provided to you. Receipts will then be issued. Entrant statements are emailed to you monthly and list the companies or individuals who have donated to your entry. We suggest you send appropriate thank you letters/notes, to your sponsors.

Receipts will only be issued for donations directed to Variety. Receipts cannot be issued for parts donated for the vehicle, or other donations not received by Variety.

Entrants must ensure that they comply with any legal requirements regarding lotteries, raffles or other games of chance.

If you are unclear about any of the above please contact the Variety office.

We know that some of you like to surprise us with your fundraising abilities at the very last minute, however, please spare a thought for our staff and hardworking computer. The last week before the V2 Motorcycle Run will be extremely hectic and, therefore, we ask that monies be paid in to the Variety office by 12 noon on the day of the fundraising cut off to be eligible for the Highest Fundraiser Award.

However, we are always delighted to accept money for our special kids at any time.

Details of all contributions credited to your V2 entry are confidential and only available to the Chairman and Variety staff. At no time will other entrants have access to this information.

Most entrants will be approaching sponsors, so here are a few thoughts about fundraising sponsorship:

20. RESEARCH & PLANNING

Identify your fundraising target.

Draw up a plan of attack. Do you have contacts in big business or is your network of business acquaintances more modest? If you approach big business, the more you want from each source, the more work you'll need to put in to the proposal. If you have more modest means then you should consider the more traditional methods of fundraising such as dinners, auctions, raffles etc

Identify your potential sponsorship targets. You need to know the products, services and distribution network of these companies and, most importantly, the right person to speak to (that has the ability to authorise spending sponsorship money). In large companies, any proposal not addressed to the appropriate individual will end up in the WPB.

Identify the return to the sponsor. The sponsor will want to know what is in it for them. eg how you will promote their product (it must be relevant).

Do not leave it too late - the sponsor will think that it's an afterthought.

If you are considering contacting a large company eg Coca Cola please check with the Variety office first. Many of these companies already support Variety and tire of being constantly asked.

Requesting product that can be auctioned or raffled will often bring a better response than a request for money.

21. PUTTING A PROPOSAL TOGETHER

It must appear, and be, professional. Have it typed if you do not have a computer. Include the "Sponsorship Brochure" and a Variety Annual Review Brochure, both available from the Variety office. You must also appear professional when you get the chance to present your proposal.

Point out the tax deductibility of donations, and that all of the sponsors money will go to Variety. Include Variety information to show the sponsor how Variety works for special kids.

Make your vehicle available for promotions by the sponsor. If possible, speak to their marketing department; they may have some good ideas.

Give the sponsor a budget of what you will spend on the vehicle to show them that you are not expecting them to fund a holiday for you.

Request promotional material from the sponsor that can be given away during the event.

22. V2 LOGO

The V2 logo which incorporates the Variety logo should be used in all fundraising promotions and on all printing and advertising material (raffle tickets included). It is imperative that your vehicle number is the predominant feature of the title. For example:

VEHICLE NO 4

(Raising funds for the Variety V2 Motorcycle Run)

or

VEHICLE NO 4

(Raising funds for children in need through the Variety V2 Motorcycle Run)

or

VEHICLE NO 4

(an entrant in the Variety V2 Motorcycle Run)

The Variety logo standing on its own must not be used in any documentation made up for the team (such as team letterhead).

23. MARKETING

Be prepared to make personal appearances with your vehicle for your sponsor and to be available to talk to Apex, Rotary, Lions etc. on behalf of your sponsor. The Variety office can help you with relevant facts, notes etc.

Arrange to have the vehicle on display at shopping centres or at a sponsor's premises.

Make sure sponsors are mentioned whenever the opportunity arises.

Keep your sponsors informed about what's happening with the event and the progress of the vehicle. Have regular meetings to discuss the progress. Pass on the information and newsletters you get from the Variety office.

Invite your sponsor to the event launch and to other Variety events such as the Adelaide Convention Centre Themed Ball, Melbourne Cup Function etc.

24. PUBLICITY

The Variety office prepares and distributes press releases and media information. These are distributed to every metropolitan, suburban, and country media outlet and all media outlets on the V2 route. This information will give overall details of the event. In addition, media outlets are directed to entrants in their local area when an inquiry is received for stories with local interest.

While great efforts are directed into the media campaign, nothing with the media is guaranteed. The success of the media campaign can depend on a number of external factors that are not under Variety's control.

25. NORMAL V2 MOTORCYCLE RUN DAY

While the V2 is in part a holiday, there's no sleeping in late as the start will generally be at 8.30 am. A full breakfast will be served from approximately 6.45am to 7.30am. Ensure you know where the start is located (it will help).

The AM & PM sections of the day are usually divided by a lunch, usually located at a venue that can accommodate all the vehicles. Both AM & PM routes may incorporate 'fun stops' which shouldn't be missed. Each bike will be checked through at checkpoints as you leave in the morning, as you arrive and leave lunch and as you arrive in town each night. You must report to these checkpoints at each of these times unless otherwise instructed. (See Rule 1)

The evening's festivities include a hearty meal at a local venue, which may again be a hall, pub or sports ground. In some instances, there'll be some form of entertainment, either arranged by the locals or provided by the Officials or entrants. In most instances, the evening meal will start at 7.30 pm preceded by sunset drinks.

Entrants' briefings normally take place during breakfast and after the evening meal each day. These will normally be at set times through the Event.

26. ROUTE

The event will depart with each morning behind the Road Captain. No vehicle will pass the Road Captain at any stage during the event, unless otherwise directed.

27. STEPS WHEN ARRIVING IN TOWN

These are the steps you should take when arriving in town:

CHECK IN

Ascertain where the evening meal venue and accommodation is and where the Support Bus is situated – retrieve any items you require for the evening or the following morning.

Fuel up the vehicle and check tyre pressures etc

28. OFFICIALS

The officials are primarily focused on ensuring everyone gets to the finish safely while having a good time. The number of officials is selected to ensure the safety of all entrants consistent with minimal cost. Officials pay for their own meals, fuel and in many cases supply their own vehicles, cheerfully working long hours and missing most of the fun.

The basis of our 'Safety System' is the tracking of entrants from start to finish during each day. As the outback of Australia can still be a potentially dangerous environment, it is important that all entrants are accounted for. Any entrants not accounted for at checkpoints along the way will be notified to our central command post. Our command post can contact Official's vehicles by HF radio and divert them to search for missing entrants. Thus a prime responsibility of Officials is to continually monitor the HF radio set fitted to their vehicle. Our HF radio network also allows us to contact emergency services in a hurry if need be. We would appreciate it if everyone would help the officials with their objectives by following their directions.

29. MOBILE RETRIEVAL (MR1)

The mobile retrieval is there to assist you in the event of a breakdown. If necessary they can carry your bike to the nearest place of repair or sanctuary.

If you need a mobile retrieval at any time, then please note the following:

Move your vehicle to the side of the road and await the MR1 who will be travelling at the rear of the field.

If you are supplied petrol or spare parts, you should pay the mobile retrieval unless other arrangements are made.

If your vehicle cannot be repaired on site it will be placed on the MR1 trailer. (FROM HERE IT'S YOUR RESPONSIBILITY TO SORT OUT YOUR DIFFICULTIES UNLESS SPECIAL ARRANGEMENTS ARE AGAIN MADE WITH THE RETRIEVAL CREW)

30. ACCOMMODATION

Accommodation is supplied each night. The check in official will advise the locality of this.

31. MEALS

All entrants are required to pay a provisions allowance that covers nightly sunset parties, three meals per day, your accommodation, name badge and merchandise.

32. MERCHANDISE

Samples of unique V2 merchandise will be available for fittings at the launch. The cost of your merchandise is included in your provisions fee. Details and order forms will also be provided with the V2 Motorcycle Run Newsletter following the launch.
