Board of Members

Brenton Ramsey, Chair

Brenton Ramsey joined his family's Farm Machinery business, Ramsey Bros. Pty. Ltd. in 1975 and has remained an Owner and Director to this day. During that time the business has developed into one of the largest Machinery Dealerships in South Australia with 6 branches.

His involvement with Variety started with Bashing in 1995 and has continued including 5 4WD events. Brenton became Chair of the SA Variety Bash in 2015 and continued through 2016 and 2017 where the Bash raised in excess of \$7.5 million.

This culminated in his Variety From the Heart Award in 2017 and an International Presidential Citation in 2018.

Brenton is committed to his involvement with Variety and inspired by the hundreds of volunteers who work so hard for the organization.

Tanya Stratton, Deputy Chair

Tanya is currently a Director at Stratland Pty Ltd, holds a bachelor degree in Science, Mathematics/Statistics from Adelaide University, a certificate in COGNOS Administration from the University of NSW and is an AICD affiliate. Tanya spent 20 years as a Systems Analyst at Stratco (Australia) Pty Ltd where her key responsibilities included online store development, geo-spatial analysis of demographic data for new site locations and the implementation of the national sales reporting system.

Tanya's involvement with Variety began in 2014 for the 4WD Adventure as the first father-daughter team and continues as part of the first all-female 4WD team.

Richard Willson, Treasurer

Richard is an experienced, Non-Executive Director, Company Secretary and CFO with more than 20 years' experience predominantly within the mining, technology and agricultural sectors for both publicly listed and private companies.

Richard has a Bachelor of Accounting from the University of South Australia, is a Fellow of CPA Australia, and a Fellow of the Australian Institute of Company Directors. He is a Non-Executive Director of Titomic Limited (ASX: TTT), AusTin Mining Limited (ASX: ANW), Thomson Resources Limited (ASX: TMZ), 1414 Degrees Limited (ASX:14D), Graphene Technology Solutions Limited, and the not-for-profit Unity Housing Company; and Company Secretary of a number of ASX Listed Companies. Richard is the Chairman of the Audit Committee of Titomic Limited, AusTin Mining Limited, and Unity Housing Company, and is the Chairman of the Remuneration & Nomination Committee of Titomic Limited.

Dr. Bronte Ayres AM, Board Member and Chair of the Grants Committee

Dr. Bronte Ayres is a consultant Cardiologist and former State Chairman of the Royal Australasian College of Physicians in SA. He was Deputy Chairman of the Ashford Community Hospital as well as sitting on the board of its foundation. He has had a passion for growing merlot grapes in the Adelaide Hills and is a life member of the Brighton Beef Steak and Burgundy Club. His involvement with Variety began as the Bash Doctor in 1991 and fifteen years as a medico for the Bash and nine years for the 4WD Challenge followed. He's been an honorary Medical Advisor to Variety SA since 1995, is a former Chair of the Board and has been a member of the Board since 2000.

Ron Barton, Board Member

In 1983 when Ron Barton first joined Yellow Cabs it operated 50 taxis from its base in a modified service station on Main North Road. From these humble beginnings, Ron quickly grew into the organisation, liking it so much that he purchased it in the mid-nineties. Under Ron's natural entrepreneurial business style, Yellow Corporation was born encompassing Yellow Cabs, Yellow Couriers and Taxi Trucks, Yellow Buses, Aussiefast Transport Solutions, Consolidated Data Communications and Consolidated Security Services. The fleet totaled around 600 vehicles making Yellow Corporation one of the largest privately owned transport companies in South Australia. More recently Ron disinvested in the passenger transport components of the business to concentrate on the road transport and security divisions and consider other business opportunities.

Away from business Ron has immersed himself in Variety for over 14 years as either an entrant or official in all three of our Motoring Events and expanded that generous engagement into event and functions sponsorships. Ron has Chaired the Board, Kick in for Kids, Variety Adventure TV and in 2019 will Chair the Variety Moto Run.

Peter Cochrane OAM, Board Member

Peter Cochrane OAM is the Managing Director of Peter Cochrane Transport, a proudly South Australian express logistics business that delivers across SA and into Mildura and Broken Hill.

Peter's involvement with Variety began in 1989 when he was an entrant in the first SA Bash. He became Bash Chairman in 1993 and held that role until 1998. During this time he ran six highly successful Bashes with his late wife Christine.

Peter was appointed to the Variety Board in 1993 and became Chair of the Board in 2003. During his term he oversaw many major developments including raising capital for the construction of a new building to house Variety headquarters. Peter is also involved in the Sunshine Coach and People Mover Program that sees families and schools provided with specially equipped vehicles.

Peter also maintains his involvement with the Bash, supplying and driving the "Bag Truck". Peter was made a life member of Variety SA in 2007 and in 2018 became only the third Australian to be awarded the prestigious Catherine Variety Sheridan Award for his philanthropic support in serving children.

Matthew Cowdrey OAM, Board Member

Matt Cowdrey OAM is a former Variety grant recipient and current ambassador. Matt was a member of Australia's Paralympic Swim Team for over a decade. He has a congenital amputation of his left arm; it stops just below the elbow. Cowdrey competed at the 2004, 2008 & 2012 Paralympic Games, 2006, 2010 & 2014 Commonwealth Games and numerous world championships. He is the most successful Australian Paralympian, having won thirteen Paralympic gold medals and twenty-three Paralympic medals in total. Matt retired from competitive swimming in 2015 and joined the Variety Board in 2016.

Matt was elected to State Parliament in 2018 as the Member for Colton. Prior to entering State Parliament Cowdrey worked as a Senior Consultant in KPMG's Government Advisory Practice. He holds degrees in law and media from the University of Adelaide.

Peter de Cure, Board Member

Peter is a professional Non-Executive Director. He holds a Bachelor of Economics from Adelaide University and is a Fellow of the Institute of Company Directors and Chartered Accountants Australia & New Zealand. After 25 years at KPMG Peter retired as a senior partner in 2012.

Peter is currently Chairman of the Australian-American Fulbright Commission, the Royal Flying Doctor Service-Central Operations, Accord Property Development Pty Ltd, the Gifford Hill Joint Venture and Wirra Wirra Vineyards, a Board Member of the South Australian Fire and Emergency Services Commission, the Remuneration Tribunal of South Australia, the Tax Practitioner's Board and advisory Chairman of Tim Adams Wines.

Nicole Haack, Board Member, Deputy Chair of Variety Australia Board, Chair of the Marketing & Communications Committee, Chair of the Large Grants Committee

Nicole Haack is Managing Director of corporate communications and public relations firm 'The Message Bureau', providing advice to a broad client base on strategic communications, marketing campaigns, stakeholder engagement, issues & crisis management and media relations. Nicole has been involved in Variety for in excess of 20 years, serving as a Director at both a local, national, and international level (Variety Asia Pacific), and as a fundraiser for a number of Variety SA's motoring events. Nicole is a previous Telstra South Australian Young Businesswoman of the Year and she was also a recipient of the Prime Minister's Centenary Medal for service to Australian society in business leadership.

Kate Hobbs, Board Member

Kate is Managing Director of her own management consulting company and has supported a variety of clients across Australia and internationally. Most of Kate's career has been spent working with senior leaders and their teams to improve their bottom line through more effective business processes, from the front line to the board room.

Kate has a broad range of experience from operational, project and consulting roles across a number of industries and has Bachelor degrees in Marketing and International Studies, as well as a Masters of Mining Engineering. She is a qualified Lean Six Sigma Blackbelt and has proven skills across a range of areas, including strategic planning, management system development, change management, organisational culture, governance structures and operational improvement.

As well as her directorship at Variety South Australia, Kate is currently Chair of the National Women in Mining Network (WIMnet), a founding member of the AusIMM's Council for Diversity and Inclusion, and an advisory member of the AusIMM Mining Society.

First getting involved with Variety as a Bash entrant in 2010, Kate has now been on seven bashes and is a passionate supporter of everything Variety. She is a regular attendee of Variety team fundraisers, Variety children's events, and Bash get-togethers and can often be seen sporting a costume of some sort.

Rob Kerin, Board Member

Rob has been a regular Bash entrant over the last decade! Rob was Managing Director of Kerin Agencies, an agribusiness in the Mid North of S.A. until 1993. He then entered the State Parliament for 15 years, serving as Deputy Premier, Premier and Leader of the Opposition. He held many portfolios, but spent most time as Minister for Primary Industries, Mines and Energy, and Regional Development.

Rob is currently Executive Chair of Primary Producers SA, Chair of Regional Development SA and SANFL Commission. Rob chairs several other Boards and committees, and is the owner of Rob Kerin Consulting, which has done restructure of the State's Regional Development structure, the ex SA Farmers Federation, and the operational side of Vitterra, the State's largest grain handling company.

Members' Report (continued)

SIGNIFICANT EVENTS: COVID 19 PANDEMIC

The World Health Organisation declared a respiratory illness caused by a new virus COVID-19, a pandemic in March 2020. COVID-19, as well as measures to slow the spread of the virus, have since had a significant impact on global economies and equity, debt and commodity markets.

The ongoing COVID-19 pandemic has increased the estimation uncertainty in the preparation of financial statements due to the volatile economic outlook resulting from actions taken by governments, the wider business community and consumers to contain the spread of the virus.

The Association is continuing to assess the impact of the COVID-19 outbreak on fundraising and event revenue, sponsors and our granting community. The Governments' restrictions on domestic and international borders, travel generally and on gatherings and social distancing measures have affected revenue in 2020 and have the potential to impact them further in 2021.

While COVID-19 did not result in the identification of any further areas of judgement and critical accounting estimates in addition to those specifically disclosed below it did result in the application of additional judgement. Given the dynamic and evolving nature of COVID-19, limited recent experience of the economic and financial impacts of such a pandemic, changes to the estimates and outcomes that have been applied in the measurement of the Company's assets and liabilities may arise in the future. Other than adjusting events that provide evidence of conditions that existed at the end of the reporting period, the impact of events that arise after the reporting period will be accounted for in future reporting periods.

In making estimates of the impact of COVID-19 on future performance the Association has assumed that the trend of general recovery across Australia and the world will continue through FY21 and that a 'second wave' event that will result in a major lockdown, comparable with those seen in the second half of 2020, will not occur.

SIGNIFICANT CHANGES IN THE STATE OF AFFAIRS

In the opinion of the Members, outside of the COVID19 impact outlined above, there were no other significant changes in the state of affairs of the Association, which occurred during the financial year, not otherwise disclosed in this Annual Financial Report.

SIGNIFICANT EVENTS AFTER THE BALANCE DATE

Since the end of the financial year, the Members have not become aware of any matter or circumstances not otherwise dealt with in the report or financial statements that has significantly, or may significantly, affect the operations of the Association, the results of those operations or the state of affairs of the Association in subsequent financial years.

LIKELY DEVELOPMENTS AND EXPECTED RESULTS

In the opinion of the Members, there are no likely changes in the operations of the Association, which will adversely affect the results of the Association in subsequent financial years.

ENVIRONMENTAL REGULATION AND PERFORMANCE

The Association is not subject to any particular or significant environmental regulation.

MEMBERS' BENEFITS

No Member of the Association has, since the end of the previous financial year, received or become entitled to receive a benefit by reason of a contract made by the Association with the Director or with a firm of which they are a member, or with an Association in which they have substantial financial interest except for those items disclosed in the notes to this Annual Financial Report.

INDEMNIFICATION AND INSURANCE OF MEMBERS

Variety The Children's Charity has, during the financial year, paid an insurance premium in respect of an insurance policy for the benefit of the Members and Executive Officers of Variety. The insurance is in the normal course of business and grants indemnity for liabilities permitted to be identified by Variety under the *Associations Incorporation Act 1985*. In accordance with commercial practice, the insurance policy prohibits disclosure of the terms of the policy including the nature of the liability insured against and the amount of the premium.

INDEMNIFICATION OF AUDITORS

To the extent permitted by law, the Association has agreed to indemnify its auditors, Ernst & Young, as part of the terms of its audit engagement agreement against claims by third parties arising from the audit (for an unspecified amount). No payment has been made to indemnify Ernst & Young during or since the financial year.

MEMBERS' MEETINGS

The number of Meetings of Members held during the year and the numbers of meetings attended by each member were as follows:

Notes to the Financial Statements

FOR THE YEAR ENDED 30 SEPTEMBER 2020

1. ASSOCIATION INFORMATION

The financial report of Variety - the Children's Charity Tent 75 South Australia Incorporated for the year ended 30 September 2020 was authorised for issue in accordance with a resolution of the Members on 8 December 2020.

The financial report is presented in Australian dollars.

Variety - the Children's Charity Tent 75 South Australia Incorporated is an incorporated association and was incorporated on 10 October 1995.

The Association is incorporated and domiciled in Australia. The registered office, which is the principal place of business, is located at 68 Richmond Road, Keswick South Australia 5035.

The Association is a Tent admitted to the membership of Variety Australia Limited and Variety Clubs International Inc.

In the event of the Association being wound up, members' liability is limited to an amount of nil. If on winding up of the Association, any property of the Association remains after satisfaction of the debts and liabilities of the Association and the costs, charges, and expenses of that winding up, that the property shall be distributed: (a) to another incorporated association having objects similar to those of the Association: or (b) for charitable or benevolent purposes, which incorporated association or purposes, as the case requires shall be determined by resolution of the members to prepare a distribution plan for the distribution of the surplus property of the Association. No members, or former members, of the Association shall be recipients of any assets after the winding up.

The nature of the operations and principal activities of the Association are described in the Members' report.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of preparation

The financial report is a general-purpose financial report, which has been prepared in accordance with the requirements of the *Associations Incorporation Act 1985*, Australian Accounting Standards and the *Australian Charities and Not for Profits Commissions Act 2012*. The financial report has also been prepared on a historical cost basis.

(b) Statement of compliance

The financial report complies with Australian Accounting Standards and International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board. The accounting policies have been applied consistently during the year.

(b) (i) New accounting policy

Variety invests funds held to support operations outside of the immediate needs of the Association in term deposits whose maturity ranges from 3-12 months. The notes carry an interest rate of 0.40% to 0.85%, and are recognised at amortised cost, which approximates fair value.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(c) Property, plant and equipment

Plant and equipment is stated at cost less accumulated depreciation and any accumulated impairment losses. Such cost includes the cost of replacing parts that are eligible for capitalisation when the cost of replacing the parts is incurred. Similarly, when each major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement only if it is eligible for capitalisation.

Land and buildings are measured at cost less accumulated depreciation on buildings and less any impairment losses.

Depreciation is calculated on a straight-line basis over the estimated life of the assets as follows:

Buildings – forty years
Computer equipment – three years
Plant and equipment – five years
Motor vehicles – ten years

The assets' residual values, useful lives and amortisation methods are reviewed, and adjusted if appropriate, at each financial year-end.

Disposal

An item of property, plant and equipment is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal.

Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the year the asset is derecognised.

(d) Trade and other receivables

Trade receivables, which generally have 30-day terms, are recognised and carried at original invoice amount less an allowance for any expected credit loss.

(e) Inventories

Inventories are valued at the lower of cost and net realisable value.

Inventory also includes donated goods, some of which are to be sold at auction for fundraising purposes. These are valued at approximate net realisable value, and this value is used as the reserve at auction to ensure that the auction proceeds exceed cost. Other donated goods (including those, which may subsequently be provided as grants) are also measured at approximate net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(f) Financial Instruments

Financial instruments are recognised initially on the date that the Association becomes party to the contractual provisions of the instrument. On initial recognition, all financial instruments are measured at fair value plus transaction costs.

Financial Assets – Classification

On initial recognition, the Group classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss - FVTPL
- fair value through other comprehensive income - equity instrument (FVOCI - equity)

Financial assets are not reclassified subsequent to their initial recognition unless the Group changes its business model for managing financial assets. The relevant classification categories for the Association are as follows:

Financial Assets - Amortised cost

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding.

The Group's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment. Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

Financial assets through other comprehensive income

These investments are carried at fair value with changes in fair value recognised in other comprehensive income. On disposal any balance in the financial asset reserve is transferred to retained earnings and is not reclassified to profit or loss.

Financial assets through profit or loss

All financial assets not classified as measured at amortised cost or fair value through other comprehensive income as described above are measured at FVTPL. Net gains or losses, including any interest or dividend income are recognised in profit or loss.

Impairment of Financial Assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

- financial assets measured at amortised cost
- debt investments measured at FVOCI

When determining whether the credit risk of a financial assets has increased significant since initial recognition and when estimating ECL, the Group considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

based on the Association's historical experience and informed credit assessment and including forward looking information.

Financial liabilities

The Association measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Association primarily comprise trade payables and grants payable liabilities.

(g) Impairment of non-financial assets

At each reporting date, the Association assesses whether there is any indication that an asset may be impaired. Where an indicator of impairment exists, the Association makes a formal estimate of recoverable amount. Where the carrying amount of an asset exceeds its recoverable amount the asset is considered impaired and is written down to its recoverable amount.

Recoverable amount is the greater of fair value less costs to sell and value in use. It is determined for an individual asset, unless the asset's value in use cannot be estimated to be close to its fair value less costs to sell and it does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case, the recoverable amount is determined for the cash-generating unit to which the asset belongs.

In determining recoverable amount, the expected net cash flows have been discounted to their present value using a market determined risk adjusted discount rate.

(h) Cash and cash equivalents

Cash and short-term deposits in the balance sheet comprise cash at bank and on hand, short-term deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdraft. Bank overdrafts are shown within interest-bearing loans and borrowings in current liabilities on the balance sheet.

For the purposes of the Cash Flow Statement, cash and cash equivalents consist of cash and cash equivalents as defined above, net of outstanding bank overdrafts.

(i) Trade and other payables

Trade payables and other payables are carried at amortised costs and represent liabilities for goods and services provided to the Association prior to the end of the financial year that are unpaid and arise when the Association becomes obliged to make future payments in respect of the purchase of these goods and services.

(j) Grants payable

Grants payable are carried at cost and are recognised when the entity has a legal, equitable or constructive obligation to make a future sacrifice of economic benefits as a result of past transactions or events, it is probable that a future sacrifice of economic benefits will be required and a reliable estimate can be made of the amount of the obligation.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(k) Provisions

Provisions are recognised when the Association has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not recognised for future operating losses.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

(l) Employee benefits

Provision is made for the Association's liability for employee benefits as a result of employees rendering services up to the reporting date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Employee entitlements expenses and revenues arising in respect of the following categories:

- wages and salaries, non-monetary benefits, annual leave, long service leave, sick leave and other leave benefits; and
- other types of employee benefits

These are recognised against profits on a net basis in their respective categories.

(m) Income tax

Variety The Children's Charity Tent 75 South Australia is exempt from income tax. It is a Deductible Gift Recipient (DGR) and an Income Tax Exempt Corporation (ITEC).

(n) Other taxes

Revenues, expenses and assets are recognised net of the amount of GST except:

- where the GST incurred on a purchase of goods and services is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- receivables and payables are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

Cash flows are included in the Cash Flow Statement on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the taxation authority are classified as operating cash flows.

(o) Revenue and other income

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Association and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised:

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Events revenue

In some cases, revenue is received in respect of an event that falls into the following financial year. In such cases, the revenue (and any associated costs) is deferred and recognised as deferred income. Any donation received in respect of an event that falls into the following financial year is recognised as income in the current year.

Interest income

Revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Sales of non-current assets

The gross proceeds of non-current assets sales are included at the date control of the asset passes to the buyer. The gain or loss on disposal of assets is calculated as the difference between the carrying amount of the asset at the time of disposal and the net proceeds on disposal.

Donations

Donations of cash are brought to account as the cash is received, not pledged.

Donated goods

Goods are donated to be sold at auctions, or to be used in events or functions. In both cases, they are recognised as revenue at their replacement cost, and expensed when the goods are sold, or otherwise used. Donated goods that have a useful life continuing over a number of years are capitalised and depreciated in line with purchased property plant and equipment.

Donations of services

Donated services, such as the use of a conference centre to host an event, are recognised as revenue at their replacement cost. An equivalent amount is recognised as an expense, relating to the type of service donated. Where the value of donated services cannot be reliably measured, these are not brought to account.

COVID19 Support Income

The Australian Government introduced a range of measures to address the global health crisis related to coronavirus. Part of the economic response to coronavirus that provided supporting revenue streams during 2020 were the national Jobkeeper payment scheme; the national Cash Boost Scheme and the SA government emergency cash grant for small business.

Other Income

Other income is recognised on an accruals basis when the Association is entitled to it.

(p) Comparative Figures

Certain line items have been amended in the balance sheet and statement of changes in equity, and the related notes to the financial statements. Comparative figures have been adjusted to conform to the current year's position.

3. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Association's principal financial instruments comprise cash and short-term deposits.

The main purpose of these financial instruments is to raise finance for the Association's operations. The Association has various other financial assets and liabilities such as trade receivables and trade payables, which arise directly from its operations. The main risks arising from the Association's financial instruments are cash flow interest rate risk and credit risk. The Board reviews and agrees policies for managing each of these risks as summarised below.

It is the Association's policy that no trading in financial instruments shall be undertaken. This was the case throughout the period under review.

Credit risk

The Association trades only with recognised, creditworthy parties.

It is the Association's policy that all customers who wish to trade on credit terms are subject to credit verification procedures.

In addition, receivable balances are monitored on an ongoing basis with the result that the Association's exposure to bad debts is not significant.

The Association minimises concentration of credit risk in relation to trade receivables by undertaking transactions with a large number of customers. Credit risk in trade receivables is managed in the following ways:

- payment terms are 30 days;
- management review older amounts due and pursue customers for payment; and
- a provision is held to cover any potential bad debts that may arise

Since the Association trades only with recognised creditworthy third parties, there is no requirement for collateral.

Interest rate risk

At balance date, the Association had the following financial assets exposed to Australian variable interest rate risk that are not designated in cash flow hedges:

| | 2020 \$ | 2019 \$ |
|--|------------|------------|
| Financial and Investment assets | | |
| Cash assets | 2,218,025 | 1,585,808 |
| Bank Term Deposits | 3,536,981 | 3,263,881 |
| Total financial assets | 5,755,006 | 4,849,689 |
| Financial Liabilities | | |
| Interest bearing liabilities | Nil | Nil |

The Association's interest risk is limited to the interest earned on its significant cash balances held. The remaining financial assets and liabilities will not be materially affected by changes in interest rate.

The Association constantly analyses its interest rate exposure. Within this analysis consideration is given to potential renewals of existing positions. The following sensitivity analysis is based on the interest rate exposures in existence at the balance sheet date.

3. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (continued)

At 30 September 2020, if interest rates had moved, as illustrated in the table below, with all other variables held constant, total recognised income and expense and equity would have been affected as follows:

| | Recognised income and expense | | Equity | |
|------------------------|-------------------------------|----------|----------------|----------|
| | Higher/(Lower) | | Higher/(Lower) | |
| | 2020 | 2019 | 2020 | 2019 |
| | \$ | \$ | \$ | \$ |
| +1% (100 basis points) | 31,203 | 46,639 | 31,203 | 46,639 |
| -1% (100 basis points) | (31,203) | (46,639) | (31,203) | (46,639) |

The movements in the recognised income and expense and equity are due to the higher/lower interest costs from variable cash balances. Refer to Note 20 for financial instruments exposed to interest rate risk.

Liquidity risk

To limit this risk, management maintains a balance between the continuity of revenue funding through donations and donated goods and services, and expenditure. This is achieved through regular monitoring of operational bank balances in relation to future funding needs, and transferring funds into or out of investment accounts as necessary. This is performed by the finance team.

Market risk

Market risk is the risk that the fair value of equity securities held in the investment portfolio decreases. Management have assessed the risk as nil for the Association, as it holds no equity securities.

Capital Management

When managing capital, management's objective is to ensure the Association continues as a going concern as well as to maintain optimal benefits to its stakeholders. Management also aims to maintain a capital structure that ensures the lowest cost of capital available to the entity.

Management is constantly adjusting the capital structure to take advantage of favorable costs of capital or high returns on assets.

Management monitors capital through distribution levels. The target for the Association's distribution approximates 90% of available surpluses or higher.

Credit card facility

At balance date, the previously active Westpac Banking Corporation business credit card facility with a limit of \$50,000 was closed (2019: \$ 50,000).

At balance date, Bendigo Bank provided the organisation with a new business credit card facility with a limit of \$50,000 (2019: \$ nil). The balance owing at 30 September 2020 is reflected in the liabilities.

Donated goods

During the year, the organisation received donated goods and services to the value of \$370,660 (2019: \$359,522). As these were acquired for no consideration, the goods and services were valued at current replacement cost.

6. CASH AND CASH EQUIVALENTS (continued)

(c) Bank Term Deposits

Short-term deposits are made for varying periods of between one day and twelve months, depending on the immediate cash requirements of the Association, and earn interest at the respective short-term deposit rates. Bank Term Deposits exceeding three months in terms and held to support operations outside of the Associations immediate need are recognised separately to cash and cash equivalents. (less than three months) Bank Term Deposits are recognised at amortized costs, which approximates fair value.

| Accrued income | 2,522 | 26,189 |
| | 167,794 | 227,909 |

Trade debtors are non-interest bearing and generally on 30 day terms.

(a) Allowance for impairment loss

Impairment of trade receivables has been determined using the simplified approach under AASB 9 which uses and estimation of lifetime expected credit losses. The Association has determined the probability of non-payment of the receivable and multiplied this by the amount of the expected loss arising from the default. No impairment loss of has been recognised by the group (2019: \$nil) in the current year.

Receivables past due but not considered impaired are \$44,825 (2019: \$49,458). Other balances within trade and other receivables do not contain impaired assets and are not past due. It is expected that these other balances will be received when due.

Movements in the provision for impairment loss for the Association were as follows:

| | 2020 \$ | 2019 \$ |
|----------------------|------------|------------|
| At 1 October 2019 | - | - |
| Charge for the year | - | - |

Terms and conditions of transactions with related parties

Sales to and purchases from related parties are made in arm's length transactions both at normal market prices and on normal commercial terms.

Outstanding balances at year-end are unsecured, interest free and settlement occurs in cash.

20. FINANCIAL INSTRUMENTS

The Association's principal financial instruments consist mainly of cash and term deposit assets, trade receivables and trade payables.

(a) Net fair values

All financial assets and liabilities have been recognised at the balance date at their net fair values. The carrying amount of financial assets and liabilities approximate their net fair value. These financial assets and liabilities are included in the assets and liabilities in the balance sheet. There are no financial assets which have a carrying amount exceeding their net fair value.

| (b) Financial Instruments | Carrying amount | | Fair value | |
|-----------------------------------|------------------|------------------|------------------|------------------|
| | 2020 | 2019 | 2020 | 2019 |
| | \$ | \$ | \$ | \$ |

| Total financial liabilities | <u>1,366,335</u> | <u>1,874,850</u> | <u>1,366,335</u> | <u>1,874,850</u> |

(c) Interest rate risk

The Association's exposure to the risk of changes in market interest rates relates primarily to the Association's financial assets with a floating interest rate.

The following table sets out the carrying amount, by maturity, of the financial instruments exposed to interest rate risk:

| Year ended 30 September 2020 | <1 year | >1-<2 years | >2-<3 years | >3-<4 years | >4-<5 years | >5 years | Total | Weighted average effective interest rate % |
|--|-----------|----------------|----------------|----------------|----------------|----------|-----------|--|
| Financial assets | | | | | | | | |
| <i>Floating rate</i> | | | | | | | | |
| Cash and Term Deposit assets | 5,755,006 | | | | | | 5,755,006 | |
| Weighted average effective interest rate % | 1.50% | | | | | | | 1.50% |
| Finance liabilities | | | | | | | | |
| <i>Floating rate</i> | | | | | | | | |
| Trade creditors & accruals | 35,409 | | | | | | 35,409 | |
| Bank loans | | | | | | | | |
| Weighted average effective interest rate % | 0% | | | | | | | 0% |

| Year ended 30 September 2019 | <1 year | >1-<2 years | >2-<3 years | >3-<4 years | >4-<5 years | >5 years | Total | Weighted average effective interest rate % |
|--|-----------|----------------|----------------|----------------|----------------|----------|-----------|--|
| Financial assets | | | | | | | | |
| <i>Floating rate</i> | | | | | | | | |
| Cash and Term Deposit assets | 4,849,689 | | | | | | 4,849,689 | |
| Weighted average effective interest rate % | 2.37% | | | | | | | 2.37% |
| Finance liabilities | | | | | | | | |
| <i>Floating rate</i> | | | | | | | | |

| Bank loans | | | | | | | | |
| Weighted average effective interest rate % | 0% | | | | | | | 0% |

Interest on financial instruments classified as floating rate is repriced at intervals of less than one year. Interest on financial instruments classified as fixed rate is fixed until maturity of the instrument. The other financial instruments of the Association that are not included in the above tables are non-interest bearing and are therefore not subject to interest rate risk.

21. EVENTS AFTER BALANCE SHEET DATE

There were no other significant events after the balance date which may affect the Association's operations or results of those operations or the Association's state of affairs.

Members' Declaration

In accordance with a resolution of the Members of Variety The Children's Charity, we state that:

In the opinion of the Members:

- a) The financial statements and notes of the Association are in accordance with the Associations Incorporation legislation, including:
 - 1. Giving a true and fair view of the Association's financial position as at 30 September 2020 and of its performance, as represented by the results of their operations and their cash flows, for the year ended on that date; and
 - 2. Complying with Accounting Standards, the Associations Incorporation legislation and the *Australian Charities and Not for Profit Commissions Act 2012*.
- b) There are reasonable grounds to believe the Association will be able to pay its debts as and when they become due and payable.
- c) The provisions of the *Collections for Charitable Purposes Act 1939* and its regulations and the conditions attached to the Authority to conduct fundraising have been complied with.
- d) The financial statements and notes satisfy the requirements of the *Australia Charities and Not-for-profits Commission Act 2012*.
- e) The internal controls exercised by the Association are appropriate and effective in accounting for all income received and applied to its fundraising appeals.

Signed in accordance with subsection 60.15(2) of the Australian Charities and Not-for-profit Commission Regulation:

Independent Auditor's Report to the Members of Variety – The Children's Charity Tent 75 South Australia Incorporated

Qualified Opinion

We have audited the financial report of Variety - The Children's Charity Tent 75 South Australia Incorporated (the "registered entity"), which comprises the balance sheet as at 30 September 2020, the statement of comprehensive income, statement of changes in equity and cash flow statement for the year then ended, notes to the financial statements, including a summary of significant accounting policies, and the members' declaration.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial report of the registered entity is in accordance with the *Australian Charities and Not-for-Profits Commission Act 2012*, including:

- a) giving a true and fair view of the financial position of the registered entity as at 30 September 2020 and of its financial performance for the year ended on that date; and
- b) complying with Australian Accounting Standards and the *Australian Charities and Not-for-Profits Commission Regulation 2013*.

Basis for Qualified Opinion

Income from donations and other fundraising activities is a significant source of revenue for the registered entity. The registered entity has determined that it is impracticable to establish control over the collection of donations and other fundraising income prior to entry in its financial records. Accordingly, as the evidence available to us regarding revenue from this source was limited, our audit procedures with respect to income from donations and other fundraising activities had to be restricted to the amounts recorded in the financial records. We are therefore unable to express an opinion whether the donations and other fundraising income obtained by the registered entity are complete.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the registered entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The members are responsible for the other information. The other information is the members' report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Members for the Financial Report

The members of the registered entity are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Australian Charities and Not-for-Profits Commission Act 2012* and for such internal control as the members determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the members are responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the members either intend to liquidate the registered entity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/auditors_files/ar3.pdf. This description forms part of our auditor's report.
