

When it is Christmas time, I can go and see Santa.

I usually get to sit with Santa, tell him what I want for Christmas, and have my photo taken.

This year, due to COVID, my family needs to book a time for us to see Santa.

When it is my turn to see Santa, I will need to be a little way away from him so he, his elves, and my family stay safe.

I can still talk to him and I can have my family be with me for the photo.

Santa and his elves may be wearing a mask this year.

They may sound a little funny behind the masks.

Santa may ask me what my name is, and what I would like for Christmas. I can answer "I would like"

I will look at the camera and smile. Once my photo has been taken, I can say "Good Bye" or "Thank you, Santa" or "Merry Christmas, Santa".

It is still fun going to see Santa, even if we can't sit with him!

Photos with Santa will be slightly different this year
