# 4WD Trek

2017 BEACH TO BAROSSA - 27 APRIL to 6 MAY

## About the 4WD Trek

If you have always wanted to take your 4WD off road and travel to some of Australia's most beautiful and out-of-the-way places then join the Variety 4WD Trek and you won't go alone.

The 4WD Variety Trek travels to some of the most remote areas in Australia, where you'll be able to experience a great adventure and raise much needed funds for Victorian children who are sick, disadvantaged or have special needs so that they can live laugh and learn.

The Trek is all about travelling to remote areas and experiencing some of Australia's best 4WD tracks whilst being supported by an experienced team of 4WDers. Radio communications, mechanical assistance and a scout to check the tracks, are all there to ensure that you are safe. But most importantly they are there to make sure you have fun!

## How Can I take part?

The entry fee for the 2017 Variety 4WD Trek is \$660 (including GST) plus a fundraising target of \$3000. Variety offers a number of fundraising opportunities for entrants to assist them in their fundraising.

Sign up for the  
trek, marvel the  
experience!

# 2017 Highlights

## Beachport to Robe Run

We start the event with some amazing beach driving, with the Beachport to Robe track a highlight.

Stunning views, soft sand and very picturesque and private beaches. This is a favourite track for many drivers, and a great initiation to the sand driving we have ahead of us!

## Port Lincoln

Following our overnight stay, Trekkers will have a choice of activities to take part in.

Whether you want to experience the amazing Lincoln National Park with its massive dunes, charter a fishing boat for the morning to try your hand at catching Snapper or spend some time exploring the beauty of Port Lincoln, the choice is yours!

## Googs Track

Googs Track is a 4WD Paradise!

Traversing through Yumbarra Conservation Park and the Yellabinna Regional Reserve, this route sees the crossing of many sand dunes, some up to 20 metres high!

We will spend two days travelling from the south to north, stopping overnight for our camp out night at Googs Lake.

# Your Impact on Kids in Need

Variety-the Children's Charity is a national not-for-profit organisation committed to empowering Australian children who are sick, disadvantaged or have special needs to live, laugh & learn.

Variety Australia delivers over \$1 million in individual and organisational equipment grants every month, filling the gaps often left by the government and other organisations.

Variety is often a families last resort to secure equipment vital to their children's wellbeing. You can meet some of the children we assist at [variety.org.au/vic](http://variety.org.au/vic) and on the road on the Variety 4WD Trek as we deliver en-route grants to those who need it most.
