

Variety Bash Welcome Kit

Why the Variety Bash?

Australia's largest and longest running charity motoring event – much imitated, never bettered!

The Variety Bash is not a race or a rally, it's a fun and social event, or in the words of the originator Dick Smith, 'A drive in the outback with a few mates' in cars that are at least 30 years old (with an awesome theme!).

The Bash is a once in a lifetime chance to experience remote and regional parts of Australia that you might otherwise not see, all in support of Variety – the Children's Charity.

Throughout the Bash, participants visit local towns, stopping into schools and organisations to visit the kids. Bashers get to see the direct impact of their fundraising efforts along the way, with a range of educational, health and mobility equipment provided to local schools and organisations en route.

The event is all about having fun in support of Aussie kids. There are always festivities along the way, from theme nights to entertainment and other activities and games on the road.

The History of the Bash

A Drive In The Outback With A Few Mates

1985

The Variety Bash started in 1985, when entrepreneur and adventurer Dick Smith took a group of intrepid motorists from Bourke NSW to Bourketown Queensland in old cars, raising \$250,000 for charity along the way.

Dick had friends from all walks of life – from multi-millionaires to battlers – and the event was his idea of a great equalizer. Touted as “a drive in the outback with a few mates”, Dick made sure everyone was on a level playing field – all cars had to be over 30 years old and non performance modified, a sentiment the Variety Bash retains today.

TODAY

Since that first event, over 108,000 kms have been travelled on the Variety Vic Bash and over \$23 million has been raised, changing the lives of thousands of children across Australia

What they're saying...

"Well, we did it! The [Variety Vic Bash](#) in support of [Variety - the Children's Charity Victoria](#)....Melbourne to Fraser Island. We arrived home yesterday and Car 73 will soon be freighted back to Melbourne having left it in Brisbane for the flight home. What an incredible trip. We saw parts of Australia you would never get to see. We laughed our way across 3 states. We met some amazing people. We had dinner with the Governor General. We had a beer in pop up pubs in the middle of nowhere. We drove through remote and stunning areas. We've seen enough dust, dirt roads and logging tracks that would break most cars! Most importantly - and thanks to the brilliant support of many friends and colleagues we raised just over \$17,300. We saw many of the communities, schools and kids that do or will benefit from this charity, and it is amazing. This is a remarkable event. If you have ever thought about doing a Bash, we urge you to do so. There is a vast network of people and support to get you going - and it is worth it. To all of our friends, please consider pulling a crew together. Next year the Bash heads to Townsville - and we will be there. Til then.....thank you for all the support"

FAQs

Do I Need to Know About Cars?

Nope! You can buy a pre-loved Bash car from our past entrants (we have a list on our website). We also provide a full vehicle checklist, advice, a pre-event workshop to check your car is Bash ready AND we have mobile workshops crews to help you on the road. If your car breaks down the workshops assist you to repair your Bash car along the side of the road. We aim to keep you moving and get you to the finish.

What Kind of Car Can I Take?

In keeping with the spirit of the event, your Variety Bash Car must be 30 years or older (although occasionally some run-on models will be accepted subject to approval by Variety). The Variety Bash is not a race or a rally so high performance models will not be accepted. And of course, all vehicles must have current registration covering the period of the Variety Bash event.

How Many Crew Members Can I Take?

The minimum number to make up a Bash crew is two – a driver and a navigator - and the maximum is the legal capacity of the vehicle. Bear in mind the size of your Bash car, and the amount of luggage you have on board when picking the size of your crew!

FAQs

We're Here to Support You

Here at Variety – the Children's Charity we are extremely grateful to each and every one of our Bashers who tirelessly raise funds throughout the year to assist Victorian children who are sick, disadvantaged or have special needs. That is why we endeavour to support you along your fundraising journey by providing information, advice and suggestions about 'everything 'VicBash'.

How YOU Help Kids in Need

As the only motoring event in Australia that supports kids in need on the road, you get to see your fundraising dollars at work! In 2017 we gave away over \$160,000 on the road and in 2018 we'll be visiting schools and organisations in Western Victoria. Funds raised from the Variety Bash continue to assist kids throughout the year – with \$1.25M raised in 2017 alone.

Our work allows children to gain mobility and freedom, to get out and about in the community, to communicate, achieve independence and increase self-esteem, and where possible, assistance to help them integrate into mainstream school and activities.
