

Empowering WA children who are sick, disadvantaged or have special needs to live, laugh and learn.

# A message from the Variety WA Patron

A sincere thank you to those who supported Variety WA in 2013 and enabled another year of successful program delivery for WA kids in need.

I am honoured to be Patron of this important charity, which makes such a difference to local children who are sick, disadvantaged or have special needs.

One of my first duties as Patron was to visit the Variety Motor Mouth Camp at Point Walter, both to meet the dedicated volunteers and see the experience for the children.

This camp is for children who are non-verbal, but use a range of devices and systems to communicate. While there, I met a gorgeous boy who was confined to a wheelchair. He was not able to use his hands to control the computer, but instead used head movement to tap instructions into the device. When I asked him what he thought about the camp, he smiled broadly (just as he had when I was first introduced) but needed to think for a while. He then tapped his head and the computer uttered the word AWESOME and he smiled again.

The Variety Motor Mouth Camp is a real example of how Variety empowers children to overcome the obstacles they face. Communication is so important for all of us and even more so for children living with special needs.

I urge you to get involved if you are not already or continue your support so that Variety can progress this wonderful work, not only for those who cannot speak for themselves but also for children who need help with mobility, overcoming illness or disadvantage and their families who also need our help. Being able to live, laugh and learn is so important.

# A message from the Variety WA Chief Barker

It is with great pleasure that I present my first Annual Review as Chief Barker of Variety – the Children's Charity of Western Australia.

Approximately 1 in 12 Western Australian children and young people aged zero to 15 live with some form of disability\*. Of these, a recent report from the Commissioner for Children and Young People found that love and support from family; enjoying the company of friends; feeling involved and included; participating in activities; being connected to the community and the desire to be independent are the issues most important to them\*\*.

Indeed, these issues are relevant to ALL children, regardless of ability, socio-economic circumstance, ethnicity or geography. That's why our Variety programs operate year round to directly address these very key areas – from providing a wheelchair to help a child get mobile, to granting a scholarship to allow them to follow their dreams, making modifications to a family home, funding a camp to help give a voice to children who cannot speak or giving a Sunshine Coach to transport children to community activities.

Our mission is to empower WA children who are sick, disadvantaged or have special needs to live, laugh

I'm proud to report that with your help in 2013, we committed \$3.8m in grants and increased our annual reach to more than 58,000 WA children in need (up 20% from 48,000 in 2012). This includes more than 23,000 children in need who benefited through new grants in 2013 and a further 35,000 children who benefited from ongoing programs and projects funded in previous years.

Variety WA was also humbled to receive the 'Silver Heart Award' as the second best performing 'Tent' or office at the 2013 Variety International Convention. This is the sixth consecutive year Variety WA has been named in the top ten 'Tents' of the world and the second year running we have placed in the top two. Variety WA also accepted awards for the Best Future Kids program, Best Freedom Program, and a Sunshine Coach Award.

None of this would be possible were it not for our many Variety supporters – members, event participants, donors, sponsors and volunteers who all unite to achieve amazing things for WA kids in need. THANK YOU.

As we head into the second year of our three year business plan, our focus remains on consistently reaching more than 50,000 WA children in need each year through effective programs and assistance fulfilling unmet need. Alongside this we continue to develop sustainable and diverse revenue streams, such as new events like Variety of Chefs and the recently introduced Peel region, to ensure our fundraising base grows to support these important programs.

With your continued support, we look forward to empowering even more WA children in need to overcome obstacles they face and help kids be kids.

### How we helped in 2013

Since 1980, Variety – the Children's Charity of Western Australia has been empowering WA children who are sick, disadvantaged or have special needs to live, laugh and learn.

By providing practical equipment, programs and experiences, Variety WA allows children to overcome the obstacles they face, and helps kids be kids.

We do this through three core programs:

In 2013, Variety granted approximately \$322,000 worth of much needed assistance each month to children right around the state

All applications for support are considered by an independent Grants Committee. Made up of disability, occupational therapy, education and technology professionals, the Committee investigates and priorities need to ensure the best use of every fundraising dollar - with a particular focus on 'filling the gaps' for those who have nowhere else to turn.

### Levi's Story

"Most of the time as a mother of two - one named Jack aged seven and Levi aged four, who I care for around the clock - I forget the dynamics of Levi's condition is not an everyday situation for most families. So I feel like this is the way life is for everyday people, it's normal and we love our two boys unconditionally. But every now and then I do realise life is a little different for us and I wouldn't change it, but I certainly wish I could fix it. We are hugely touched that people want to help Levi and help us care for him. Levi has always loved water and the outdoors, and as these two are combined in the hydrotherapy spa, I know he will love it. We feel very privileged and loved."

### How we helped

In 2012-2013, the Variety Future Kids Program provided the following equipment to children right across the state:

### Cystic Fibrosis Association's story

"I want to sincerely thank you for the donation of the Pari Nebuliser.

We have newly migrated to Perth and were so grateful to receive the nebuliser for our two children with Cystic Fibrosis.

They were able to continue with their treatments as soon as we got it. Thank you so much for helping to keep them healthy"

# Variety Motor Mouth Camp

Communicating when you can't speak can be a big challenge, but the annual Variety Motor Mouth Camp is helping to change all that for WA families.

The five day, school holiday camp combines fun with intensive therapy and training for children who use augmentative and alternative communication (AAC) aids and voice output devices. Fifteen families participated in the 2013 camp at Point Walter Reserve, receiving one-on-one support from volunteer speech, occupational and physio therapists.

With fun-filled daily activities to practice communication skills, a wide range of games and respite for siblings as well as dedicated parent information and training sessions, the Variety Motor Mouth Camp helps children and parents to become more confident using their communication devices and build friendships with families facing similar challenges.

The 2013 Variety Motor Mouth Camp was made possible thanks to a generous donation from the Estate of the Late Harry Leslie Howden Bequest, managed by Perpetual.

### Variety WA Toy Bank

The Variety WA Toy Bank program helps at a time when children and their mothers are emerging from the shadows of domestic violence.

The Toy Bank program, now in its 19th year, centres on the collection of new toys which are then shared with women's refuges across the state, from Kununurra and Port Hedland all the way to Esperance.

Each child arriving at a shelter is given a special toy to call their own – a precious gift after arriving traumatised and often with just the clothes they are wearing. It's a small but important token to show them that someone cares.

In recent years, Variety WA Toy Bank has expanded its reach to provide much needed resources for the

Protective Behaviours Safety Program. The central idea of this program is that all children have the right to feel safe all of the time. The program enables refuge workers to help rebuild children's sense of safety and give them a language around safety, equipping them for a safer future free from domestic violence.

Variety acknowledges the outstanding contribution of Lesley Hart as she retires from the role of

Committee Chair after 9 years, and concludes 19 years of active service on the Committee.

The Variety WA Toy Bank program is proudly supported by Patron Mrs Tonya McCusker.

### Variety Youth Choir

For more than 15 years, the Variety Youth Choir has been entertaining audiences whilst enriching the lives of its many talented young performers.

The Choir brings members together across diverse backgrounds, including some with a disability or disadvantage, all united by a passion and commitment to achieving the highest standard of song and dance.

As one of WA's busiest professional young performance groups, the Choir helps to increase the self-confidence and skills of its members by providing positive role models, friendship, a sense of belonging, weekly tuition and the chance to shine professionally on stage.

The Choir also allows members to volunteer their time to give back to the community. By sharing their time and talent at performances throughout the

year, they are outstanding young ambassadors for Variety. As well as performing regularly for Variety and other community events, the Choir charges a professional fee for corporate balls and events, with all funds benefitting Variety WA.

The Variety Youth Choir is proudly sponsored by Killarnee.

# Variety Scholarships

Every year, the Variety Scholarships are awarded to WA children in need with a gift for the arts, sport and education.

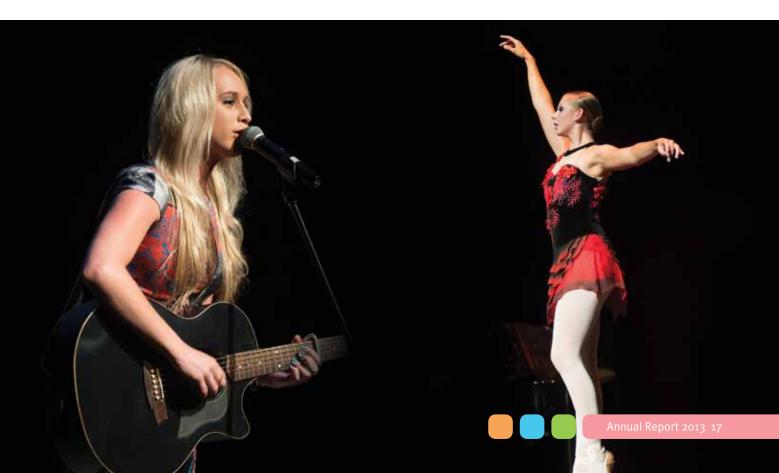

The scholarships help young people living with illness, disability or disadvantage to overcome adversity and explore their potential by funding specialist tuition and related expenses.

Since 1996, more than 200 scholarships have been granted in fields such as ballet, singing, drama, language, athletics and basketball, with 29 scholarships worth \$88,000 presented in 2013 alone.

The 2013 Variety Scholarships were proudly supported by IGA, the Bendat Family Foundation and the Whately Foundation.

### Goanna Park Adventure Camp

The Goanna Park National Adventure Camp program takes young people living with intellectual disability out of their comfort zone to gain self-confidence and independence. This week long experience takes place at a purpose built camp in Darwin, which has been developed with significant long term support from Variety NT.

Every year Variety WA sends local Western Australian children and their carers to Darwin to take part in the program, with 15 children attending in 2013.

Abseiling, rock climbing, flying fox, swimming, gokarting, horse riding, arts and crafts are all on the agenda, with qualified instructors and experienced carers to ensure campers participate fully and safely.

For many campers, it's the first time they have been away from their parents or travelled interstate — making it a positive and often life changing experience.

Funding for Variety WA children and carers to attend the 2013 Goanna Park National Adventure Camp was generously donated by Lotterywest.

# Variety WA kids Christmas Party

Variety helps put smiles on the faces of hundreds of children and families each year through our Variety WA Kids Christmas Party.

For the many families we assist, Christmas can sometimes bring worry and uncertainty due to the extra stress of caring for a child with special needs, serious illness or disadvantage.

The Christmas Party offers a welcome respite for families, giving specially invited children and their siblings, parents and carers a much needed afternoon of festive fun.

This all-inclusive event features a big top circus, bouncy castles, face painting, onstage performances, food, a visit from Santa Claus and a present for every child.

The Variety WA Kids Christmas Party is proudly supported by major sponsor, the Stan Perron Charitable Trust, together with the McCusker Charitable Foundation and Lotterywest.

# On the road for WA kids in need

From humble beginnings with the now iconic Bash, Variety – the Children's Charity has become synonymous with motorfundraising events. Twenty-five years later, more than 300 Western Australians from all walks of life hit the road in Bash cars, motorcycles, four-wheel-drives or classic cars, raising more than \$1.5 million annually for WA kids in need.

Our motoring events give participants unforgettable opportunities to experience outback WA in ways they wouldn't otherwise be able - with action packed entertainment, camaraderie, plentiful food, beverages and a full contingent of mechanical, medical and official support.

Where possible, event participants make visits to schools and local community groups, delighting children with their colourful costumes and presenting much needed grants of equipment and resources for local children in need.

The Bash legend began with businessman, explorer and philanthropist Dick Smith, who organised to take a few mates for a drive in the outback in old cars to raise money for charity. Some twenty-five years later, the Variety WA Bash has raised more than \$21 million for WA kids in need. It's a colourful carnival on wheels!

For more than ten years, the Variety Bike Run has taken big hearted bikers on a four day motorcycle mystery tour through some of WA's best driving country, with major sponsorship from MMG.

The Variety Creative Car Cruise (proudly supported by 89's The Garage Door Specialists) is a boutique cruise for a cause, allowing car lovers to show off their prized possessions over a fun-filled four day weekend.

With action-packed adventure, chef prepared meals and support crew every step of the way, the Variety 4WD Challenge (proudly supported by Coleman) is the ultimate combination of the iconic WA outback, entertainment, luxury and fundraising.

# Variety Regions

Variety WA's volunteer network spans right across the state.

With active regions in the Midwest, Pilbara, Goldfields and Peel, volunteer committees drive all local fundraising activities and publicity, and also act as a conduit for families, schools and other community groups in the area needing assistance.

Some highlights from the 2012-2013 regional calendar include:

Midwest Variety entertains local families at their annual Children's Christmas Party.

More than 200 people dined atop the beautiful Moresby Ranges for the inaugural Variety Midwest Moresby Dining Challenge.

Dozens of pyjamas, dressing gowns and slippers were collected for children in need as part of the annual Midwest PJ Drive.
