James Komninos

On behalf of our members and supporters,
I'm proud to present the 2015 Annual Review for
Variety – the Children's Charity of Western Australia.

James Komninos
Variety WA Chairman

This year we heralded 35 years of empowering West Australian children in need to live, laugh and learn. Our network of supporters reaches far and wide, right across the state and this milestone is one we are proud to share with every member of the Variety family. Almost \$35 million has been raised and given away to help WA children who are sick, disadvantaged or have special needs in this time. It is particularly encouraging to note that two thirds of that has been achieved within the last ten years alone.

While we honoured our history and foundations, we also forged important new ground for Variety WA with the introduction of the inaugural Variety of Choice Home Lottery. The brainchild of board member Jay Walter and heavily supported by Plunkett Homes, the lottery enabled us to broaden our reach, take the Variety message to the masses and develop a new revenue stream for the charity.

Nathaniel were the faces of the

*Variety WA celebrated its
35th Anniversary at Kings Park*

Together with our existing fundraising activities, this resulted in a total net profit of \$1,425,031* for the 2014-2015 financial year.

More importantly, this was achieved within a charitable ratio of 83 cents in every dollar available to be granted to the kids**.

As always, we are inspired by the children and families that we have had the privilege of supporting in 2015. This includes 23,842 children directly assisted by Variety programs worth \$1.58 million in 2015, as well as 23,724 children impacted in 2015 by ongoing Variety projects that were funded in previous years – taking our annual number of lives impacted to 47,566 WA kids in need. I sincerely thank you for helping to make this possible.

I extend my sincere thanks to my fellow Board members, our regional presidents and committees, sub-committee members and the staff of Variety WA for your efforts throughout my first year as Chief Barker.

James Komninos
Variety WA Chairman
(Chief Barker)

**Financial year 1 October 2014 – 30 September 2015. Please see www.varietywa.org.au or contact Variety WA to receive a copy of our 2014-2015 Audited Financials.*

***The charitable ratio is determined by dividing the Operating result before grants and programs by Donations and collection for the year ended 30 September 2015.*

Variety Motor Mouth Camp

Communicating when you can't speak can be a big challenge, but the annual Variety Motor Mouth Camp is helping to change all that for WA families.

Sixteen school aged children who use augmentative and alternative communication (AAC) aids, were given a huge helping hand when they attended the five day camp at Point Walter Reserve from 1-5 October 2014. Over five days, 30 volunteers from various health professions provided their support, many taking annual leave from their work place to give their time and expertise.

With fun-filled daily activities to practice communication skills, a wide range of games and respite for siblings as well as dedicated parent information and training sessions, the Variety Motor Mouth Camp helps children and parents to become more confident using their communication devices and build friendships with families facing similar challenges.

Variety WA thanks iiNet, Lotterywest and our individual donors for their support of this program

Variety Kids Christmas Party

Each year, the Variety Kids Christmas Party puts smiles on the faces of hundreds of children and families.

In December 2014, over 680 Variety children attended the annual event, held at the Claremont Showgrounds, accompanied by their parents, siblings and carers. The Christmas Party offers a welcome respite for families, giving them the opportunity to get in the festive spirit and enjoy a stress free afternoon together.

Kids were treated to a circus, rodeo, specially designed wheelchair accessible go carts, bouncy castles, face painting and more. Of course a Christmas Party is not complete without a visit from Santa Claus and a present for every child.

The 2014 Variety Kids Christmas Party was made possible thanks to a team of dedicated volunteers and sponsors, including the Stan Perron Charitable Trust, Lotterywest and Refresh, as well as event partners Neat Ideas, Toy World Subiaco, The Dreamfit Foundation and many individual donors.

Variety Youth Choir

For more than 16 years, the Variety Youth Choir has been entertaining audiences whilst enriching the lives of its many talented young performers.

The choir helps increase the self-confidence and skills of its members, who have come together from a diverse range of backgrounds and abilities. A passion for song and dance unites the choir, who remain one of WA's busiest professional young performance groups.

Members volunteer their time, sharing their talent at performances throughout the year, in turn acting as outstanding young ambassadors for Variety. They please crowds wherever they perform – whether it be for Variety or at other community and corporate events around the city.

The Choir has had a busy year, performing nearly 30 shows with highlights including a trip to Kalgoorlie for the Spring Festival and the honour of being part of the WA Australian of the Year awards at Government House.

Special thanks to the Whately Foundation, who generously donated new uniforms for the Choir in 2015.

Variety Toy Bank

The Variety Toy Bank program helps shine a light at a time when children and their mothers are emerging from the shadows of domestic violence.

For over 21 years, the Variety Toy Bank program has been centred on the collection of new toys donated by guests who attend social events held by its volunteer committee around the year. In 2014-2015 over \$55,000 worth of toys were collected and shared with women's refuges across the state.

Each child, after often arriving at the shelter with nothing but the clothes on their back, is given a toy to call their own. This small token, even if for a moment, can help bring a smile to the faces of children impacted by violence.

The support Variety Toy Bank provides extends to beyond just toys. Funds raised during their events enable the program to support the Promoting Safety and Respect Project (PSRP) - an initiative developed by the Women's Council. Taking a whole school approach, the violence prevention program has been specifically designed to educate young men and women in WA high schools.

In 2015, Variety Toy Bank was privileged to welcome her Excellency Governor Kerry Sanderson as patron of the program. Variety WA thanks the dedicated volunteer committee for their tireless efforts and the many businesses and individuals who have supported Toy Bank events throughout the year.

Variety Scholarships

Every year, the Variety Scholarships are awarded to WA children in need with a gift for the arts, sport and education.

42 young people received scholarships at a special ceremony at the Heath Ledger Theatre in April 2015, helping them to pursue and achieve their dreams.

Over \$120,000 worth of scholarships were presented, funding specialist tuition and related expenses. The scholarships help young people living with illness, disability or disadvantage to overcome adversity and explore their potential.

Awarded annually, over 280 scholarships have been presented since the program's inception in 1996.

In 2015, the Variety Scholarships were made possible thanks to generous support of Gloria Jean's Coffees, The Bendat Family Foundation, The Whately Foundation and Financial Partners.

Goanna Park Adventure Camp

Each year, Variety children from all over Australia make the trip to Darwin for this incredible camp.

A group of eleven deserving WA kids had the time of their lives at the Variety Goanna Park Adventure Camp in July 2015. The camp allows young people living with intellectual disability to experience the fun and personal achievement of participating in an adventure camp.

The busy week long calendar of activities saw campers experience new and exciting things such as swimming in a wave pool, abseiling and rock climbing. The camp goes a long way in helping develop independence, confidence and resilience by encouraging campers to take on new challenges outside their comfort zone.

Variety WA thanks Lotterywest for their generous support in helping send our WA campers to Darwin and the volunteer carers who donated their time to provide assistance.

Variety Charity Link

It is estimated that one in ten Australians live in poverty today*
— placing more pressure on families than ever before.

In 2015, Variety WA joined forces with community organisation Charity Link to help deliver the “necessities of life” that often go missing for many children and families right around the state. Variety Charity Link harnesses the power of hundreds of volunteers to deliver much needed assistance, with a focus around three key times— back to school, winter and Christmas.

The Back2School program helps provide disadvantaged children with the basic stationery and tools to have a positive start to the school year. A Back2School pack helps relieve financial burden and give kids resources and encouragement to help succeed in their education.

For the disadvantaged, the cold of winter is a particularly challenging time. The provision of blankets helps protect disadvantaged children and youth from the winter's cold.

A toy at Christmas made possible through Variety Charity Link, helps bring a smile to the face of disadvantaged children at this special time of year. Their family also receive a Christmas Hamper to enjoy together, creating lifelong memories and ensuring they'll share in a memorable Christmas.

Juan

Ten year old Juan loves to ride bikes, however his low muscle tone makes it difficult for him to ride a standard bike.

Thanks to the gift of a modified bike from Variety WA, Juan now rides 4–5 times a week. His strength is improving, his confidence is growing and he is happiest when he is riding around.

OUR STORIES

Caitlin

After a diagnosis that significantly impacted her vision, eleven year old Caitlin's reading age and academic levels began to drop. Children with Caitlin's level of vision impairment require adaptive equipment to enable them to complete all visual, reading and written tasks. Thanks to Variety WA, Caitlin is able to read print and see visual images after receiving a Read It Scholar monitor and software.

Elisabeth and Mishelle

Three year old identical twins Elisabeth and Mishelle live with Down Syndrome. Low muscle tone and swallowing difficulties meant that their mother Isabella had to feed them on her lap because standard high chairs didn't provide enough support. Thanks to supportive high chairs from Variety, the girls can now be fed safely and without the increased risk of complications.

Samuel

Samuel's laugh is infectious — when he starts to sing and dance, you can't help but join in. He lives with down syndrome, has battled with leukaemia and had open heart surgery, but his vivacious personality has not been crushed by these challenges. Variety met Sam when we helped his family with a stroller and stair climber, which allows them to get in and out of their apartment with greater ease. Now Samuel is sharing his smile with the rest of the world.

2014/2015 EVENT HIGHLIGHTS

Variety Annual Ball

In February, the "Elegance in the Moonlight" 2015 Variety WA Ball took place, captivating guests with perfect weather, stunning décor and a twinkling city skyline as a backdrop. Spirited bidding for live auction items and generous contributions towards our live appeal helped raise \$275,000 towards the Variety 4WD Challenge.

Variety 4WD Challenge

Forty four-wheel-drivers and officials made a 1,100 km journey through the State's South West, visiting Kendenup, Peaceful Bay, Karri Valley, Augusta and Bunker Bay raising over \$397,000 on board the Variety 4WD Challenge, proudly supported by Coleman.

Variety Creative Car Cruise

The Variety Creative Car Cruise, proudly supported by 89's the Garage Door Specialists, was held in March, raising over \$185,000 for WA kids in need. Variety of Chefs

The third annual Variety of Chefs, presented by Linneys was held in August in the Grand Ballroom, Crown Perth. Over 150 women attended The Variety Midwest Ladies Luncheon. Two hundred plus youth at risk benefited as a result of donated gift bags filled with much needed educational and personal products.

Variety Bash

Our group of Bashers raised over half a million dollars for WA kids who are sick, disadvantaged or have special needs on board the 2015 Variety WA "Port to Port" Bash. Over 2,300 km's were travelled between Port Denison and Dampier, with the Bash carnival bringing much joy and excitement to all the towns and communities visited in between!

Morseby Dining Challenge

The top of the Morseby Ranges was transformed into a makeshift cruise ship as 200 guests were treated to an evening of culinary delight thanks to chefs Brad Leahy, Josh Catalano and Karen Criddle. Over \$80,000 was raised for Variety Midwest on the night.

Kalgoorlie Charity Race Day

The third annual Variety Charity Race Day was held at the Kalgoorlie Boulder Race Course, raising over \$15,000 for Variety Goldfields.

Kalgoorlie Golf Day

One hundred and sixteen keen golfers, representing 27 businesses tee off at the Kalgoorlie Boulder Chamber of Commerce & Industry Charity Golf Day, raising over \$54,000 for Variety Goldfields.

Volunteers

Our volunteers are vital support to the work that Variety WA does. Whether they're volunteering their time as a skilled mechanic on the road, or behind the scenes as a committee member, every hour of their time helps to make a difference.

70

volunteers helped put a smile on the face of kids at the Variety Kids Christmas Party

50

skilled mechanics, medical officers and officials volunteered their time as support crew across the Variety motoring events

30

speech pathologists and occupational therapists volunteered their skills at the Variety Motor Mouth Camp

"Volunteering with Variety at the Motor Mouth Camp is my way of giving something back.

I have volunteered on the planning committee and at the camp itself for the last five years. Through this, I have met lots of great people, including some amazing kids and their supportive families and gained so much personally and professionally.

The families are always so grateful and thank us so much at the end of camp, but as volunteers we get so much out of the camp experience that we end up thanking them too!"

Kelly, Variety Motor Mouth Camp volunteer

Community Fundraising

Every year, dozens of individuals are out in the community volunteering their time to raise funds and awareness for Variety WA. From bake sales to bike rides, cocktail parties and fun runs, we're so fortunate to have such dedicated supporters.

Miss World Australia

Thirty Western Australian contestants raised more than \$21,000 as part of their Miss World Australia 'beauty with a purpose' challenge.

Variety Splash

A passionate volunteer committee led a convoy of big-spirited boaties from Perth to Mandurah and return for the annual Variety Splash, raising more than \$110,000 for Variety WA.

Workplace fundraising

Many workplaces raised funds for Variety WA through morning teas, free dress days, raffles and more. The new legal interns at DLA Piper got into the spirit by hosting a video 'game off' which raised \$1,100 for Variety.

Individual fundraising

Dozens of Western Australians became everyday heroes to raise funds for Variety... Like eight year old Lennox who completed the Weetbix TRYathlon and raised \$530 or six year old Jack who asked his friends to donate \$6 for his sixth birthday instead of gifts.

Perth to Busselton Bike Ride

Thirty cyclists tested their endurance with a 230km ride from Perth to Busselton, raising \$47,000 for Variety. It was the sixth year of the annual fundraiser which began as a social ride amongst friends and is still organised by a volunteer committee.

OUR SUPPORTERS

Corporate Highlights

Variety is proud to be associated and receive vital support from a diverse group of generous sponsors and partners, both local and national. We cannot say thank you enough. Please see pages 35-36 for a more detailed list of our corporate supporters.

Granny Flats WA

Variety was excited to welcome Granny Flats WA to the family as a new major sponsor in 2015. As a Western Australian, family owned business, Granny Flats WA has a genuine desire to give back to the community and in particular, positively impact the lives of WA kids in need.

Lotterywest

Variety WA was extremely fortunate to have received several instances of financial assistance from Lotterywest again in 2015. From the annual Variety Kids Christmas Party to Variety Goanna Park and Motor Mouth Camps, Lotterywest's support enabled our programs to run effectively and reach as many children in need as possible.
