Fundraising Tips

Hold an Event

There are many different fundraising events that you could organise to reach your fundraising goal, here are a few ideas:

- Trivia night, quiz night or bingo
- Sausage sizzle at your local Bunnings, BCF etc.
- Morning tea, afternoon tea or high tea.
- Golf day
- Cake sale
- Movie night
- Car wash
- Dinner party
- Raffle or auction
- Colour or shave your hair

Think about how you can make your event different with themes and activities. Contact friends and/or businesses to see if they can donate items for you to use. Don't forget when you're holding an event there are lots of other creative ways to make additional funds. Encourage people to bribe you for trivia answers, make up movie snack bags for people to purchase, golfers can give a kickback to skip a hole.

Get your workplace involved

Some companies have Employee Matched Funding programs which match some/all of an employee's charity fundraising efforts or a charity fund. Ask your HR department or manager, and even if they don't actually have a program they may make a donation to support your participation in The Variety 4WD Challenge.

Variety can help with any information they require or with any paperwork. We can also provide a certificate, tax deductible receipt and thank them directly if you let us know.

Even without a matched funding program, your workplace can still support you. See if you can hold a fundraiser at work such as a bake sale, casual day, or a BBQ.
