

# SAUSAGE PARTY!

CAR 79 FUNDRAISER

Come out to the Swan Valley and learn to make sausages the traditional way.

Join us for a unique fun experience. We will be making authentic chorizo and cacciadore sausages with you seeing exactly what goes into the mix. At the end of the day we divide up what we've made and everyone gets to take home their share (about 2kg) to hang at home. Alternatively we can hang them for you to collect in two weeks.

We will also have available some sausages ready to eat and buy from previous efforts. A small cash bar will be selling beer, wine and soft drinks at reasonable prices. A delicious lunch will also be served.

**Numbers are strictly limited and bookings essential.**

Cost \$90 for sausage making and lunch or \$20 if you just want lunch, to hang out, watch the process and enjoy The Old Shed's ambiance. All proceeds going to support virgin Bash entrant Car 79.
