

# Containers for Change

A renewable way to partner with Variety – the Children's Charity of WA

**Did you know that your rubbish could help change the lives of WA kids in need and reduce your environmental impact without costing you a cent?**

Thanks to the state government's Containers for Change recycling scheme, 10c from every eligible container that you dispose of could be donated to Variety WA to help WA kids who are sick, disadvantaged or living with disability. This means your business could contribute thousands of dollars to Variety WA every year with minimal effort and zero financial costs.

Better yet – you could save significantly on waste disposal costs by using our free waste disposal system for eligible containers, including free bins and pick-up service.

We welcome you to show your commitment to the environment and to WA kids doing it tough by jumping on board with this exciting new initiative.

# How it works...

## Step 2

Your team make an impact by collecting eligible containers and ensuring they are disposed of in the relevant bin.

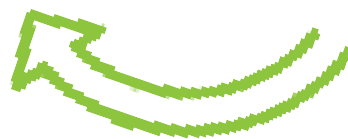

## Step 4

We'll send you quarterly updates on the containers and funds that you have raised, so you can promote your impact and watch it grow.

## Step 3

Once filled, we'll stop by and empty your Variety WA recycling bin/s. We'll work with you to arrange a regular collection date, based on how quickly you fill it.

## Eligible Containers

Most aluminium, glass, plastic, steel and liquid paper-board beverage containers between 150ml and 3L.

## Ineligible Containers

Plastic milk bottles, wine bottles, pure spirit bottles, cordial bottles and registered health tonic bottles.

## Benefits:

- ♥ Make a measurable financial contribution to a trusted and impact-driven children's charity, without paying a cent
- ♥ Reduce waste disposal costs by using our free waste disposal system (eligible containers only)
- ♥ Be an early adopter and supporter of WA's renewable resources industry
- ♥ Have your business logo and website listed on our website as a Variety WA supporter
- ♥ Improve staff engagement and retention by demonstrating commitment to protecting the environment and giving back to the community
- ♥ Reduce your environmental impact
- ♥ Attract an audience of consumers who care about the environment and supporting the local community
- ♥ Make a lasting difference to the lives of WA kids in need who are sick, disadvantaged or living with disability by enabling them to live, laugh and learn.

---

## Free waste removal service

Variety WA is teaming up with Community Recycling WA to offer free bin delivery, bin hire and regular collection, so all you have to do is dispose of your eligible containers in the bin/s provided.

Get in touch with us on 9355 3655 to find out more about bin sizes, space requirements and pick-up schedules for your dedicated Variety WA recycling bin/s.

If you are unable to facilitate a bin onsite or do not dispose of a significant number of eligible containers, you can still support WA kids in need by collecting eligible containers and dropping them off at any of the Containers for Change refund points across WA\*. Don't forget to use the **Scheme ID C10285207** to ensure that your refund is donated to Variety WA. Go to [www.containersforchange.com.au](http://www.containersforchange.com.au) to find your nearest refund point.

\*Note: we are unable to calculate funds and containers donated through this method.

# Why support Variety

We believe all kids deserve a fair go.

Whether living with sickness, disadvantage or with disability, Variety gives WA kids the opportunities and support they need to overcome the obstacles they face and live life to the fullest.

With a focus on meeting unmet need and helping when no government or other assistance is available – Variety is there for kids in urgent need who would otherwise miss out.

We deliver care in 4 ways:

**Grants**

**Scholarships**

**Programs**

**Experiences**

By joining us as a Containers for Change recycling partner today, you can help fill the gap and give a fair go to more WA kids in need. For more ways to partner with Variety WA, visit our website or get in touch today.
