Anthony Begley
Chief Barker

This time last year, the thought of a global pandemic shutting down our workplaces, schools, family and social lives was unfathomable.

Like so many other charities, Variety - the Children's Charity of Western Australia could not escape the effects of COVID-19. Just as the community has rallied to protect ourselves against the spread of the virus, so too have our Variety supporters stepped up to make sure WA kids in need don't miss out at a time when they need it the most.

On behalf of the Board, I extend my heartfelt thanks to every Member, volunteer, event participant, donor and sponsor for your generosity and commitment during what has been one of the most challenging times in our 40 year history.

Thanks to you, more than 10,000 WA kids who are sick, disadvantaged or live with disability were given a fair go, through much needed equipment, programs, scholarships and special experiences in 2020.

While there is always more to be done, we should all be proud of the difference made to WA kids in need this year, and I look forward to being part of the further extension of support to the kids in 2021.

Michael Smith
Patron

As Christmas approaches, we get a kind of ache about how the Variety families will manage to celebrate.

In these weeks, more than ever we think about how we can add a little more light to Variety children.

But this year my message is directed at the amazing volunteers and staff that turn on the Variety lights each morning and produce the magic that makes such a difference to the children and their families.

On behalf of all of those people that are supported by the Variety team of volunteers, board and staff, a very large thank you.

You are both valued and special.

You know the children and their supporters and that inspires a level of commitment that sometimes means you do too much.

While it takes selfless people to lift those we support, we do need you to take care of yourself and your families.

You are deeply appreciated and we are all better off if you also take the time to look after yourself and your loved ones.

We believe that all kids deserve a fair go in life.

So we help kids with these challenges:

Above all else, the wellbeing and safety of our Variety WA kids, families and community are our top priority.

Due to the concerns caused by COVID-19, the Variety Motor Mouth Camp, Variety Teen Motor Mouth Day, Variety Voyage and Variety Heart Scholarship Celebration Evening were cancelled in 2020.

Instead, our focus shifted to supporting families through essential grants, with many families affected by the pandemic and in greater need of Variety's support.

Selena’s Story

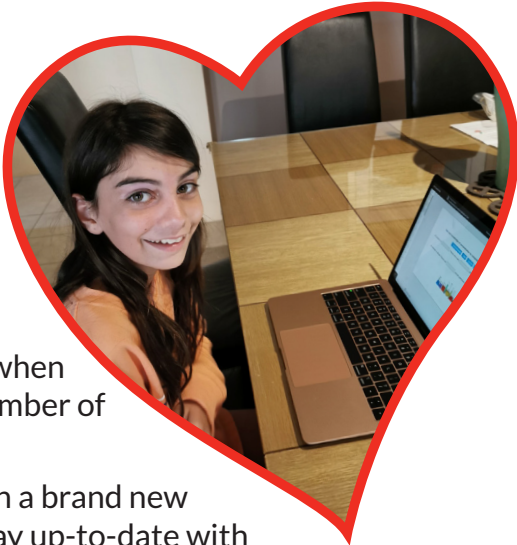

“School is a pain” takes on a completely different meaning for Selena, who experiences extreme fatigue and physical pain when writing due to a congenital joint disorder.

Selena was born with a number of conditions that limit the range of motion of her joints and movement of some of her limbs, along with weakness in her wrists, hands and feet. As well as causing her pain when writing, Selena misses out on time in the classroom to undergo a number of operations, making it difficult for her to keep up with her peers.

Thanks to your support, Variety WA was able to provide Selena with a brand new laptop, so she can write her notes without experiencing pain and stay up-to-date with school work outside of the classroom. Selena loves her laptop and is feeling more confident every day.

“It was much-needed, especially during the recent COVID-19 crisis to connect online with her classroom”

- Selena’s mother

Variety Choir

The Variety Choir continued to entertain and inspire this year with an uplifting repertoire that brings joy to both the audience and performers. Comprised of over 30 young people of all abilities and backgrounds, the Choir uses music as a foundation for building performance skills, self-confidence, friendship and community participation.

Prior to COVID-19, the Choir performed all over Perth, and even had the opportunity to open the Perth Scorchers Big Bash at Optus Stadium to an audience of many thousands.

In response to COVID-19 restrictions, Choir Director, Gemma Luxton continued to run choir rehearsals online to maintain a sense of routine and provide a regular opportunity for participants to connect and flourish, despite the challenging times. Choir rehearsals have now resumed at the prestigious WAAPA Music Auditorium.

Variety Kids Xmas Party

Over 800 kids and family members spent the day splashing in the pools, squealing on the rides and hurtling down the water slides at the 2019 Variety Kids Xmas Party, held at Adventure World for the very first time.

A highlight of the day was a visit from Santa, who greeted and took a professional family photo with every child, which was printed on the day as a special keepsake. Each child also received a special gift and hand-written card from a Variety WA supporter, to bring joy beyond the day itself.

Thank you to the Stan Perron Foundation for their generous support of this event.

"It was such a magical day. Very rarely am I able to get all my children out together and they had such fun. It's so very appreciated"

- Michaela (mother)

Variety Heart Scholarships

Fifty-three kids living with disability, disadvantage or illness were supported to pursue their passions this year, with more than \$111,000 in scholarships granted.

The scholarships were awarded to 33 children engaged in the arts, with the remaining 20 helping young people chase their goals in sports; ranging from race walking and cheerleading to football and athletics.

It's thanks to Variety Heart Scholarship major sponsor, Perth Airport, as well as The Bendat Family Foundation and the Whatley Foundation, who have enabled these kids to follow their dreams.

Ashlyn & Kayleigh's Story

12-year-old Ashlyn and 10-year-old Kayleigh received their first Variety Heart Scholarships in 2020, helping to fund shoes and competition fees for Ashlyn's athletics endeavours as well as Kayleigh's ballet fees for her dancing dreams.

Despite living with Type 1 diabetes, both sisters are determined to pursue their passions and prove that their condition won't hold them back.

Ashlyn has had an outstanding year on the track, winning gold at the gold medals in the WA Little Athletics State Road Walking Championships (U13) and Athletics West State Road Walking Championships (U14).

40 years of Variety WA

2020 marked the 40th anniversary of Variety – the Children’s Charity helping kids in WA. Since 1980, we’ve stayed true to our mission to empower WA kids who are sick, disadvantaged or living with disability to live, laugh and learn.

Every year since our inception, we’ve helped thousands of WA kids and their families with nowhere else to turn, and would otherwise miss out on the opportunities that every child deserves. This milestone was celebrated in style with the return of the 2020 Variety Ball.

Variety Ball: A night at the circus

The 2020 Variety Ball was a spectacular evening under the stars at the Mounts Bay Sailing Club, raising an incredible \$250,000 for WA kids in need.

The evening paid tribute to Variety’s roots in the entertainment industry, with a surprise performance choreographed by Dancing With the Stars celebrity, Carmelo Pizzino, along with the Variety Choir, a live band, DJ and more.

A highlight of the evening was a solo performance by talented Variety Heart Scholarship recipient, Joshua White. 14-year-old Joshua is a classical singer and performed a heart-wrenching repertoire to the audience of more than 400 guests.

Our sincere thanks to the 2020 Variety Ball committee, chaired by Judy Paioff, along with the many sponsors, volunteers and contributors who made this event a success.

Impact of COVID-19 on fundraising events

Thanks to the generosity of the Western Australian community, WA kids in need were still able to access Variety WA’s support through the year, despite having to cancel three of our largest annual fundraising events in 2020 due to the COVID-19 pandemic.

The cancellation of the iconic Variety Bash and the Variety 4WD Adventure alone saw \$800,000 in fundraising lost, placing significant pressure on operations.

Making sure that we could be there for our Variety kids and families at a time when they need help the most, Variety WA received a much needed funding boost of \$297,444 thanks to the Lotterywest COVID-19 Relief Fund.

A further \$23,000 was donated to Variety’s COVID-19 Emergency Appeal, including a \$10,000 special donation from long time sponsor, P&N Bank.

Sponsor highlight: P&N Bank

P&N Bank has been part of the Variety family since 2016.

Whether they are sponsoring our annual Variety Motor Mouth Camp, offering professional advice and expertise through skilled-volunteering or supporting our fundraising events, P&N really prove their motto “the power of &”.

How you helped

Community Fundraising

Sometimes, it takes a whole community to help the kids!

From individuals like young student Jack who raised more than \$700 for Variety by baking and selling beautiful plant based Christmas cookies, to the staff at Willow Tree Realty in Baldivis who raised \$2,000 for Variety at their annual Halloween Spooky House, a massive \$85,000 was raised by community fundraisers this year - we thank you all.

Variety Hair with Heart

This year, Variety WA received almost \$90,000 in donations as part of the national Variety Hair With Heart program. 552 brave West Aussies cut off their pony tails and of these, 234 people also fundraised to help provide wigs for kids living with medical hair loss and other much needed equipment and programs.

Hair With Heart superhero Emma (pictured left) said "It's my third hair donation and I love how I get to love someone and make them feel so special. I love that when I make a small sacrifice, someone can receive a wonderful gift."

How you helped

Variety Goldfields

The annual Geoff Kemp Memorial Golf Day in March was a smashing success, raising over \$110,000 for Variety WA, in addition to the annual Kalgoorlie Race Day which raised an amazing \$33,000. Circumstances might have prevented the Goldfields from running their full array of popular community events in 2020, but it couldn't dampen their enthusiasm for fundraising for WA kids in need. We thank the Kalgoorlie crew and the Kalgoorlie-Boulder Chamber of Commerce and Industry for their powerhouse efforts.

Variety Toy Bank

Variety Toy Bank raised \$24,086 and received donations of 219 toys and 56 experiences to support kids in women's refuges across the state. Funds and donations were received through two iconic annual events; the Variety Toy Bank White Party and Hamptons Luncheon, while the sell-out Rockpool Luncheon was forcibly cancelled. A huge thanks to the volunteer committee who made this possible.

Variety Midwest

Despite the event limitations caused by COVID-19, Variety Midwest raised \$12,000 through their annual Melbourne Cup Sweep, which is a key item on Geraldton's social calendar.

The 2019 Variety Midwest Kids Xmas Party brought so much joy to the almost 500 kids and families, with food, entertainment, games and gifts for all kids who attended. Santa and other mystical characters helped make the inclusive event extra special for those who attended.

A big thank you to the committee, president and all involved for making this possible.

Other Regions

We are lucky at Variety to have active supporters all over the state. We have strong support in the South West region (including Peel) and the Pilbara. We look forward to developing these relationships in the coming financial year.

Thrifty has been keeping Variety on the road with a co-branded corporate vehicle since 2017, but our relationship goes back thirty years to the early Variety Bash days.

Through their event sponsorship and contra vehicle hire, Thrifty makes a significant contribution to help WA kids in need. A special thanks to the Bedell family and the entire Thrifty team.

Help from our sponsors

Bendat Family Foundation

The Bendat Family Foundation are long-time supporters of Variety and the Variety Heart Scholarship program.

Taking this commitment even further, the Foundation gave a significant gift this year to help the charity overcome the challenges caused by COVID-19 and continue its Kids Support grants program in 2020.

On behalf of all our Variety families – we thank you.

Perpetual

Variety WA was proud to receive support from Perpetual, in their 2020 IMPACT Philanthropy funding round. Almost \$90,000 will be directed towards Variety's Mobility Funding, giving freedom and independence to WA kids living with physical disability or limited mobility, through the provision of equipment such as wheelchair accessible vehicles, hoists, positioning systems and modified bicycles.

This funding was provided by Perpetual on behalf of The Anne Maree and Bernard Myles Quinn Memorial Trust Fund, The Colin & Brenda Galbraith Trust, Alfred Thomas Bellord Charitable Trust, The Helen Elizabeth Pagan Trust and The Charles Bateman Charitable Trust.

Stan Perron Charitable Foundation

The Stan Perron Charitable Foundation is helping to provide much needed equipment and assistance to WA families, making a significant four year commitment to the Variety Kids Support grants program. The Foundation has been a proud supporter of Variety WA for more than a decade, also sponsoring the annual Variety Kids Christmas Party celebration.

Elizabeth Perron, Executive Chair of the Stan Perron Charitable Foundation said "We are very pleased to be able to assist Variety WA in providing vital care and support for sick and disadvantaged children. This very much aligns with what lies at the heart of the Foundation's intent: to make a difference to those in need."

What's Next

You've made an incredible impact on the lives of kids who are sick, disadvantaged or living with disability – thank you!

In the coming year we want to reach more kids, families and organisations by broadening our reach across Western Australia. We want to raise more funds so that we can facilitate more grants and change even more lives in 2020/21.

For us, this means using our existing partnerships and forging new ones to spread the word about Variety, diversifying our income streams and taking on every single opportunity that comes our way. We're going to work harder, smarter and most importantly, we're going to work together to create change. We want to make sure every child achieves their full potential, regardless of ability or background.

Our mission:

**To empower WA kids who live
with disability, disadvantage
or sickness to live, laugh
and learn**

Our vision:

**For no WA child in
need to miss out on
Variety's support**
