ABOUT VARIETY

At Variety - the Children's Charity we believe all Aussie kids deserve a fair go in life, so we support kids who are sick, disadvantaged or have special needs by providing practical equipment, programs and experiences to help them overcome obstacles and live life to the fullest.

ABOUT HAIR WITH HEART

Hair with Heart is our **national hair donation initiative**.

Hair donations are made into specialised wigs for those who have lost their hair due to a medical condition. Funds raised through the sale of the hair go to Variety's grants and programs to give Aussie kids in need a fair go.

WHY SHOULD YOU FUNDRAISE?

We're inspired by our amazing hair donors like yourself, who go above and beyond for kids in need and their families. We reckon that your friends and family will be inspired by your selflessness too.

Give them the chance to back your effort, you'll be surprised by their generosity. If you're a first time fundraiser or if you're a fundraising veteran, we're so appreciative of every dollar raised and here to help you along every step of the way, so why not give it a go?

Funds raised go to Variety's grants and programs giving kids who miss out because they're sick, disadvantaged or have special needs what they need to join in life with everybody else.

FUNDRAISING IDEAS FOR SCHOOL

Whether it's kindy, primary or high school, getting your school involved can really boost your fundraising efforts and help spread the word about Variety and Hair with Heart.

There are lots of ways your school can support your big chop! Here are some of our favourites.

WEAR RED DAY

A classic! Make sure you ask for a gold coin donation to go towards your fundraising efforts. You could host a morning tea on the day as well!

CRAZY HAIR DAY

A great way to get your whole school involved and raise awareness for those who have lost their hair due to a medical condition.

BAKE SALE

An oldie but a goodie – everybody loves a good cupcake or cookie! Be as creative as you like, what about red icing or heart shapes?!

GROUP CHOP

Is there a few in your class or grade or school who are thinking of donating their hair too? Why not organise to have it on the same day?

AUCTION OFF THE CHOP

Raise some extra funds and have a bit of fun on the day by holding an auction for who gets to chop off those ponytails!

SPREAD THE WORD

You've decided to donate your hair, created a fundraising page and want to organise an event at your school... now what? It's time to share your efforts with the world, starting with your nearest and dearest.

Emails and Phone Calls

People can be a little shy when it comes to being the first to donate so start by asking your closest friends and family to be the first to contribute – they're your biggest supporters!

Here's an email template we've put together to help get you started.

Remember to add a few personal details too! The more unique to you, the more likely they'll be to donate.

Social Media

Once you've got the ball rolling, thanks to your generous close family and friends, you can start sharing your efforts further and social media is a great way to do that!

Here are our top tips we've learnt from our fundraisers:

- Tag your friends who have donated to say "thanks"
- Use the share buttons on your online fundraising page
- Use images with your posts
- Be personal, include why you're donating your hair – it means much more to people!
- Tag @VarietyAustralia and use the hashtags **#HairwithHeart** **#VarietyAustralia**

We've created a few posts with images to help get you started.

Local Newspapers and Radio

Community media are often very supportive of hair donors like yourself, so why not tell them about your efforts.

Not sure what to say? No worries, here's a media release we've started for you, simply add in your details and send it off to your local papers, radio, etc (best place to look for their news desk or story submissions is via their websites).

Your School's Newsletter and Social Media

Ask your school to include an article or mention your efforts in their newsletter and/or their social media. Use your completed media release to give them all the information they need.

Remember to give them an image or two of you to include!

Local Community and Businesses

Print off some fundraising posters and ask your local businesses and community services, like your library or town hall to post on their community boards or in their windows. A great way to spread the word about your efforts as well as Variety and Hair with Heart.

If you're feeling a little nervous asking a business for a donation or to put up a flyer, that's very normal but a great thing to keep in mind is the worst they can say is no. Nothing is lost, but always worth a try.

Download your fundraising and event posters here, add in your details and press print!
