At just four years of age, Hannah started getting bald patches. At first her family tried covering the bald spots with different hairstyles but Hannah also started to lose her eyebrows, eyelashes and even more hair. One of the most difficult things for the family was Hannah being called names or teased. It started to take a toll on her naturally outgoing personality and self-confidence.

With the cost of the wig being \$3,500, Hannah's family turned to Variety for support. Thanks to generous donors, Hannah was able to receive a specially made wig which she has affectionately named 'Jasmine'.
